[Royal Fox Gold Inc.](#) (TSXV: FOXG) ("Royal Fox" or the "Company") is pleased to announce that, pursuant to its press release of March 18, 2022, it has closed a non-brokered private placement through the issuance of 8,333,334 common shares in the capital of the Company issued on a flow-through basis (each, a "FT Share") at a price of \$0.06 per FT Share for aggregate gross proceeds of \$500,000.04 (the "Offering"). The FT Shares will qualify as "flow-through shares" within the meaning of subsection 66(15) of the Income Tax Act (Canada).

Simon Marcotte, President and Chief Executive Officer of the Company, stated: "This small flow through financing will allow Royal Fox to complete the current 15,000-metre exploration program while preserving the company's hard dollars. I would like to thank the directors of the Company, as well as Mme Adree Delazzer, Vice-President Exploration, for their support and participation in this financing, which ensures that the shares are in good hands as the Company moves towards its next stage of development, including the publication of a maiden 43-101 resource in the months ahead."

The places of the private placement are as follow:

- Victor Cantore, Executive Chairman, Director: 3,400,000 shares
- Simon Marcotte, President & CEO, Director: 3,400,000 shares
- Frank Guillemette, Director: 700,000 shares
- Brad Humphrey, Director: 666,667 shares
- Adree DeLazzer, Vice-President Exploration: 166,667 shares
- TOTAL: 8,333,334 shares

Mr. Frank Guillemette, largest shareholder and Director of the Company, will now own 59,242,510 shares representing 21.66% of the total shares outstanding of Royal Fox. The total insider ownership of the Company will now stand at 77,798,177 shares, or more than 28% of the total shares outstanding of Royal Fox.

All securities issued pursuant to the Offering will be subject to a hold period of four months plus a day from the date of issuance and the resale rules of applicable securities legislation. The gross proceeds from the sale of the FT Shares will be used by the Company to incur eligible "Canadian exploration expenses" that will qualify as "flow-through expenditures" as such terms are defined in the Income Tax Act (Canada).

This news release does not constitute an offer to sell or a solicitation of an offer to sell any of the securities in the United States. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act") or any state securities laws and may not be offered or sold within the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.

The Offering constituted a related party transaction within the meaning of TSX Venture Exchange Policy 5.9 and Multilateral Instrument 61-101 - Protection of Minority Security Holders in Special Transactions ("MI 61-101") as insiders of the Company subscribed for 8,333,334 FT Shares pursuant to the Offering. The Company is relying on the exemptions from the valuation and minority shareholder approval requirements of MI 61-101 contained in sections 5.5(b) and 5.7(1)(a) of MI 61-101, as the Company is not listed on a specified market and the fair market value of the participation in the Offering by the insiders does not exceed 25% of the market capitalization of the Company in accordance with MI 61-101. The Company did not file a material change report in respect of the related party transaction at least 21 days before the closing of the Offering, which the Company deems reasonable in the circumstances in order to complete the Offering in an expeditious manner.

Royal Fox is also pleased to announce that it has engaged Proactive Investors North America Inc.

("Proactive") to assist the Company in enhancing its online presence with the global investment community (the "Proactive Services") for an initial period of 12 months, subject to the terms of the service agreement executed between the Company and Proactive. Proactive will receive a total of \$42,500 for the Proactive Services. The Proactive Services shall include comprehensive coverage of officially released news and other developments at the Company, plus interviews in video and written formats, with all content to be featured on Proactive websites and further distributed through Proactive's multinational syndication network. Proactive will also provide digital advertising services over the same initial term.
