CAUTIONARY NOTE

The companies in which [Shell plc](#) directly and indirectly owns investments are separate legal entities. In the Report "Shell", "Shell group" and "[Shell plc](#)" are sometimes used for convenience where references are made to [Shell plc](#) and its subsidiaries in general. Likewise, the words "we", "us" and "our" are also used to refer to subsidiaries in general or to those who work for them. These expressions are also used where no useful purpose is served by identifying the particular company or companies. "Subsidiaries", "Shell subsidiaries", and "Shell companies" as used in the Report refer to companies over which [Shell plc](#) either directly or indirectly has control. Entities and unincorporated arrangements over which Shell has joint control are generally referred to as "joint ventures" and "joint operations" respectively. Entities over which Shell has significant influence but neither control nor joint control are referred to as "associates". The term "Shell interest" is used for convenience to indicate the direct and/or indirect ownership interest held by Shell in a venture, partnership or company, after exclusion of all third-party interest.
