

SSR Mining Inc. Publishes Esg And Sustainability Report

14.04.2022 | [CNW](#)

DENVER, April 14, 2022 - [SSR Mining Inc.](#) (NASDAQ: SSRM) (TSX: SSRM) (ASX:SSR) ("SSR Mining" or the "Company") announced today the publication of its Sustainability Report which outlines the Company's Environmental, Social and Governance ("ESG") practices. The report outlines our approach to sustainability across a range of areas, including Health & Safety, environment, communities and diversity, as well as summarizes our 2021 performance.

Rod Antal, President and CEO said, "SSR Mining's fourth annual Sustainability Report continues to demonstrate our commitment to delivering sustainable value for all shareholders. Safe, responsible and profitable mining activities are the tenets of our business, and we are constantly enhancing and progressing our sustainability practices and strategies as our company evolves. Our progression towards net zero greenhouse gas emissions by 2050 remains top-of-mind, and we expect to establish a science-based action plan for achieving this goal in the coming years. Overall, we continue to move forward with our ESG initiatives as we seek to ensure a lasting positive legacy for our company and operations."

Sustainability Report Highlights:

- Full implementation of environment, safety & health, and social standards through compliance with SSR Mining's internal Environment, Health, Safety and Sustainability ("EHSS") Integrated Management System.
- Continued commitment to transparency and accountability through inaugural public disclosure of Carbon Disclosure Project (CDP) Climate and Water Security scores.
- Completion of third-party closure reviews across all operating sites to ensure a positive post-mining future for our stakeholders globally.
- Development of a water stewardship strategy as we seek to continually reduce our environmental footprint.
- Commitment to establish a science-based Action Plan for net zero greenhouse gas emission targets by 2025.
