Further information will be set forth in a subsequent news release and in associated documents to be filed on www.sedar.com.

The Siguri Gold Project

The Siguiri Gold Project is a gold exploration property wholly owned by Sun & Sand Mining & Metals SA. The property consists of two contiguous blocks covering a total area of 175 km^2 located in Siguiri and 35km southwest of the Anglo Gold Ashanti Siguiri gold mine. The Siguri region has a record of historic production dating back to the 13th century and is one of the first - gold producing regions in west Africa. The reader is cautioned that resources that exist on adjacent properties (including the Anglo Ashanti's Siguiri gold mine) is not necessarily indicative of potential on the Siguiri Gold Property.
