

International Zeolite to be Featured on Radius Research's Pitch, Deep Dive and Q&A Webinar

26.04.2022 | [Newsfile](#)

President & COO Mark Pearlman will discuss the Company's potential to transform the agricultural industry and effect change from the ground up with its revolutionary NEREA(R).

Vancouver, April 26, 2022 - [International Zeolite Corp.](#) (TSXV: IZ) (OTC Pink: IZCFF) (FSE: ZEON) ("IZ" or the "Company"), a company creating innovative, environmentally friendly products and solutions utilizing zeolite minerals for the agricultural, industrial and consumer markets, is pleased to invite investors and other interested parties to attend an upcoming interview with Radius Research.

Mark Pearlman, President and Chief Operating Officer of IZ, and Martin Gagel of Radius will discuss the Company's line of earth-conscious, natural zeolite solutions, including the disruptive potential of, and the Company's commercialization plans for, its breakthrough agricultural technology, NEREA®. The proprietary zeolite product has proven to increase crop yields, produce higher quality agricultural products, and reduce both fertilizer and water requirements, thereby providing farmers and commercial growers significant financial and environmental benefits.

The webinar will be a live, interactive online event where attendees are invited to ask the Company questions in real-time following the interview. An archived webcast will be made available for those who cannot join the event live on the day of the webinar.
