

# Fortuna announces the release of its fourth annual sustainability report

02.05.2022 | [GlobeNewswire](#)

VANCOUVER, May 02, 2022 - [Fortuna Silver Mines Inc.](#) (NYSE: FSM) (TSX: FVI) is pleased to announce that it has published its fourth annual sustainability report which summarizes the Company's sustainability and ESG performance in 2021, and which has been prepared in accordance with GRI<sup>1</sup> and SASB<sup>2</sup> standards. The sustainability report includes an *ESG for Investors* section and shares the Company's sustainability commitments for 2022 through 2025 on key environmental, social and governance indicators. Fortuna has also aligned its climate-related disclosure in the report with the recommendations of the TCFD<sup>3</sup>. The sustainability report is available on the Company's website.

Jorge A. Ganoza, President and CEO of Fortuna, commented, "At Fortuna, we remain focused on the production of silver and gold while generating shared value over the long term for our stakeholders through efficient production, mitigation of impacts to the environment and social responsibility." Mr. Ganoza added, "Sustainable development, good governance, risk management and strong relationships are a top priority. We are firmly committed to continue integrating sustainability into our business strategy, organizational culture and day-to-day operations."

## 2021 Sustainability Report highlights

- 15 percent of women on the workforce
- Climate change strategy and 2022 position statement
- Zero work-related fatalities among employees and contractors
- Zero significant spills and zero significant environmental fines
- 43 percent of employees come from our areas of influence
- 6 percent of suppliers are from local communities
- Zero confirmed cases of corruption, discrimination or human rights violations
