About Quartz Mountain

Quartz Mountain Resources Ltd. (TSXV:QZM), (OTC PINK:QZMRF) is a mineral exploration company based in Vancouver, Canada. It is focused on acquiring, exploring, developing, and transacting high-value gold, silver, and copper projects in BC. The Company currently holds 100% of the Maestro gold-silver-copper-molybdenum property and holds an option to acquire 100% of the Jake porphyry copper-gold property. All Quartz Mountain projects are selected under key acquisition principles: easy access to infrastructure, high potential for discovery of major resources and significant future transaction value.

Quartz Mountain is associated with Hunter Dickinson Inc. (HDI), a company with over 35-years of success, discovering, developing, and transacting mineral projects in Canada and internationally. In B.C, former HDI projects included Mount Milligan, Kemess South, and Gibraltar - all of which are copper (± gold, silver, molybdenum) porphyry deposits with current or former producing mines. Other well-known projects with HDI involvement include Sisson in Canada, Pebble and Florence in the United States, and Xietongmen in China.

Quartz Mountain is committed to the advancement of critical and essential mining assets while following HDI's Responsible Mineral Development principles, including a mandate to employ best practice approaches in the engagement and involvement of local communities, and meeting rigorous environmental standards.

On behalf of the Board of Directors, Leonie Tomlinson President & Director
