

1844 Considers Quebec Ministry of Forests' Letter Regarding Exploration Permit for the Vortex Property

27.06.2022 | [Newsfile](#)

Saskatoon, June 27, 2022 - [1844 Resources Inc.](#) (TSXV: EFF) (the "Company" or "1844") reports that on May 17, 2022, the Quebec Ministry of Forests, Fauna and Parks (the "MFFP") issued a letter to the Company (the "Letter"), announcing the MFFP's intention to deny the Company's application for an intervention permit relating to the development of eight exploratory drilling sites at the Company's Vortex property. The Company has decided not to pursue any work programs at the Vortex property for at least the next 12 months while the Company considers the Letter.

About 1844 Resources Inc.: 1844 is an exploration company with a focus in strategic and energetic metals and underexplored regions "Gaspé, Chibougamau Québec". With a dedicated management team, the Company's goal is to create shareholder value through the discovery of new deposits.

FORWARD-LOOKING INFORMATION

This press release contains statements which, other than statements of historical fact constitute "forward-looking statements" within the meaning of applicable securities laws, including statements with respect to: results of exploration activities, mineral resources. The words "may", "would", "could", "will", "intend", "plan", "anticipate", "believe", "estimate", "expect" and similar expressions, as they relate to the Company, are intended to identify such forward-looking statements. This press release contains forward-looking information in a number of places, such as in statements relating to the ability to obtain the necessary regulatory approvals or the Company's plans or prospects. Investors are cautioned that forward-looking statements are based on the opinions, assumptions and estimates of management considered reasonable at the date the statements are made, and are inherently subject to a variety of risks and uncertainties and other known and unknown factors that could cause actual events or results to differ materially from those projected in the forward-looking statements. These factors include the general risks of the mining industry, as well as those risk factors discussed or referred to in the Company's annual information form for the year ended April 30, 2021, available at www.sedar.com. Should one or more of these risks or uncertainties materialize, or should assumptions underlying the forward-looking statements prove incorrect, actual results may vary materially from those described herein as intended, planned, anticipated, believed, estimated or expected. Although the Company has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking information, there may be other factors that cause actions, events or results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate as actual results and future events could differ materially from those anticipated in such statements. The Company does not intend, and does not assume any obligation, to update these forward-looking statements except as otherwise required by applicable law.

Neither TSX Venture Exchange nor its Regulations Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
