Registration is Open Now for EnerCom Denver with One-on-One Meeting Requests Opening for Qualified Investors on

DENVER, June 28, 2022 - EnerCom, Inc. announced today that it has published the preliminary presentation times and schedule for presenting companies at EnerCom Denver - The Energy Investment Conference on the conference website at www.enercomdenver.com and that qualified investors that have registered for the conference will be able to start requesting One-on-One meetings with the senior management teams of participating companies beginning this Friday, July 1, 2022 on the conference website.

"EnerCom Denver is the only, world class investor event that is open to all energy investors to meet with senior management of a large group of oil and gas companies at a single location. With the attention of American families and world-wide press focused on reliable, affordable and sustainable energy - the oil and gas industry is grabbing the attention of Wall Street," said Blanca Andrus, Chairwoman and CFO of EnerCom, Inc.

EnerCom Denver is the largest independent energy-focused investor conferences and will take place August 7-10, 2022 at the Denver Downtown Westin hotel. Institutional investors, portfolio managers, financial analysts, CIOs and other investment community and industry professionals who invest in the energy space can register now on the conference website [EnerCom Denver - The Energy Investment Conference](http://www.enercomdenver.com).

The event is EnerCom's 27th annual Denver investment conference and will be 100% hosted in person. At this year's conference, C-level leadership of leading energy companies will discuss their outlook for drilling and completion activity, well results, ESG and capital expenditures for the balance of 2022 and into 2023.

The EnerCom conference provides extensive networking opportunities for attendees at several sponsored events throughout the conference.

EnerCom is adding to the line-up daily and encourages attendees to check the website frequently for the most current information. A sample of the companies that are scheduled to participate at EnerCom Denver on August 7-10, 2022 include:
