

Jericho Energy Ventures Announces Commencement of Trading of its Common Shares and Variable Voting Shares Under Single Trading Symbol and Receipt of Exemptive Relief

29.06.2022 | [ACCESS Newswire](#)

NEWTOWN, June 29, 2022 - [Jericho Energy Ventures Inc.](#) (TSXV:JEV)(OTC PINK:JROOF)(Frankfurt:JLM0) ("Jericho" or "JEV" or the "Company") announces that, further to its news release issued on June 27, 2022, its common shares ("Common Shares") and variable voting shares (the "Variable Voting Shares", and together with the Common Shares, the "Shares") commenced trading under the single and current ticker, "JEV", on the TSX Venture Exchange (the "TSXV") at the open of markets today, June 29, 2022. The Shares trade on the TSXV and will bear the CUSIP/ISIN number 476339205/CA4763392053 and will be designated, for purposes of trading, under the single designation of "Common and Variable Voting Shares" of Jericho.

Jericho has received certain exemptive relief (the "Decision") from the Ontario Securities Commission to enable its Common Shares and Variable Voting Shares to be treated collectively as if they were a single class for certain purposes, including for take-over bid and early warning reporting purposes and in connection with the presentation of certain ownership related information in its information circulars, and to permit the Company to refer to the variable voting shares as "Variable Voting Shares".

A copy of the Company's articles, as amended, and the Decision will be available on SEDAR at www.sedar.com under Jericho's profile.

About Jericho Energy Ventures

Jericho Energy Ventures (JEV) is an energy company positioned for the current energy transitions; owning, operating and developing both traditional hydrocarbon JV assets and advancing the low-carbon energy transition, with active investments in hydrogen. Our wholly owned subsidiary, Hydrogen Technologies, delivers breakthrough, patented, zero-emission boiler technology to the approximately \$30 Billion Commercial & Industrial heat and steam industry.* We also hold strategic investments and board positions in H2U Technologies (a breakthrough electrocatalyst and low-cost electrolyzer platform) and Supercritical Solutions (developing the world's first, high pressure, ultra-efficient electrolyzer). Jericho also owns and operates long-held producing oil and gas JV assets in Oklahoma which it is currently developing from cash flows in an effort to further increase production into the highly elevated commodity price environment.

This news release contains certain "forward-looking information" and "forward-looking &Irm;statements" (collectively, "forward-looking statements") within the meaning of applicable &Irm;securities laws. Such forward-looking statements are not representative of historical facts or &Irm;information or current condition, but instead represent only Jericho's beliefs regarding future &Irm;events, plans or objectives, many of which,

by their nature, are inherently uncertain and outside of Jericho's control. Forward-looking statements are frequently characterized by words such as "plan", "expect", "project", "intend", "believe", "anticipate", "estimate" and other similar words, or statements that certain events or conditions "may", "will" or "may not" occur. Specifically, this news release contains forward-looking statements relating to, among others, the maintenance of the Company's foreign private issuer status.

Forward-looking statements are subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those anticipated in the forward-looking statements, which include, but are not limited to: regulatory changes; changes to the definition of, or interpretation of, foreign private issuer status; the impacts of COVID-19 and other infectious diseases; general economic conditions; industry conditions; current and future commodity prices and price volatility; significant and ongoing stock market volatility; currency and interest rate fluctuation; governmental regulation of the energy industry, including environmental regulation; geological, technical and drilling problems; unanticipated operating events; the availability of capital on acceptable terms; the need to obtain required approvals from regulatory authorities; liabilities and risks inherent in oil and gas exploration, development and production operations; liabilities and risks inherent in early stage hydrogen technology projects, energy storage, carbon capture and new energy systems; changes in government environmental objectives or plans; and the other factors described in Jericho's public filings available at www.sedar.com.

The forward-looking statements contained herein are based on certain key expectations and assumptions of Jericho concerning anticipated financial performance, business prospects, strategies, regulatory regimes, the sufficiency of budgeted capital expenditures in carrying out planned activities, the ability to obtain financing on acceptable terms, expansion of consumer adoption of the Company's (or its subsidiaries') technologies and products, and the success of investments, all of which are subject to change based on market conditions, potential timing delays and other risk factors. Although Jericho believes that these assumptions and the expectations are reasonable based on information currently available to management, such statements are not guarantees of future performance and actual results or developments may differ materially from those in the forward-looking statements. Investors should not place undue reliance on forward-looking statements.

Readers are cautioned that the foregoing lists are not exhaustive. The forward-looking statements contained in this news release are made as of the date of this news release, and Jericho does not undertake to update any forward-looking statements that are contained or referenced herein, except as required by applicable securities laws.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
