TORONTO, Aug. 2, 2022 - [Silver Mountain Resources Inc.](#) ("Silver Mountain", "AGMR", or the "Company") (TSXV: AGM (OTCQB: AGMRF) (BVL: AGMR) is pleased to announce that its common shares (the "Common Shares") are now eligible for electronic clearing and settlement through the Depository Trust Company ("DTC").

DTC is a subsidiary of the Depository Trust & Clearing Corporation, a United States company that manages electronic settlement for publicly traded companies. Securities that are eligible to be electronically cleared and settled through the DTC are considered to be "DTC eligible".

DTC eligibility is expected to simplify the process of trading and transferring the Common Shares and to enhance the liquidity of the Common Shares in the United States because of the accelerated settlement period and the expected reduction in costs for investors and brokers, enabling the Common Shares to be traded over a wider selection of brokerage firms.

Jean Pierre Fort, CFO of Silver Mountain stated, "DTC eligibility compliments our recent listing approval on the OTCQB Market announced on June 16, 2022. The listing of AGMR's shares on the OTCQB and DTC eligibility will significantly enhance Silver Mountain's visibility, trading volume, and will allow us to engage a broader audience of investors in the United States."
