If the Qualifying Expenditures are reduced by the Canada Revenue Agency, the Company will indemnify each subscriber of FT Units for any additional taxes payable by the subscriber as a result of the Company's failure to renounce the Qualifying Expenditures.

The Company advises that it is continuing to investigate potential joint venture and earn in option transactions with respect to the Company's Quebec properties.

The closing of the Offering is expected to occur on or about September 15, 2022 and is subject to receipt of all necessary regulatory approvals including the Canadian Securities Exchange.
