

VR Resources Closes First Tranche of Non-Brokered Private Placement For Gross Proceeds of \$1 Million

30.08.2022 | [GlobeNewswire](#)

VANCOUVER, Aug. 30, 2022 - [VR Resources Ltd.](#) (TSX.V: VRR; FSE: 5VR; OTCQB: VRRCF) (the "Company" or "VR") is pleased to announce that it has closed the first tranche its previously announced non-brokered private placement ("Financing"), consisting of 6,443,750 units ("Units") at a price of \$0.16 per Unit for total gross proceeds of \$1,031,000.

Each Unit consists of one common share of the Company and one-half of a common share purchase warrant. Each whole warrant will entitle the holder to acquire one additional common share at an exercise price of \$0.25 per common share for a period of 18 months from the closing date of the Financing.

In connection with the Financing, the Company paid cash fees of \$11,940 to certain finders.

The securities that were issued under the Financing are subject to a four month hold period under Canadian securities law.

VR will use the net proceeds of the Financing for its mineral exploration business, including active exploration on various mineral properties held in Ontario, Canada, and Nevada, USA.

The securities have not been registered under the U.S. Securities Act of 1933, as amended (the "U.S. Securities Act"), or any U.S. state securities laws, and may not be offered or sold in the "United States" or to "U.S. persons" (as such terms are defined in Regulation S under the U.S. Securities Act) without registration under the U.S. Securities Act and all applicable state securities laws or compliance with an exemption from such registration. This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in any state in which such offer, solicitation or sale would be unlawful.

About VR Resources

VR is an established junior exploration company focused on greenfields opportunities in critical metals, copper and gold (TSX.V: VRR; Frankfurt: 5VR; OTCQB: VRRCF). VR is the continuance of 4 years of active exploration by a Vancouver-based private company. The diverse experience and proven track record of its Board in early-stage exploration, discovery and M&A is the foundation of VR. The Company focuses on underexplored, large-footprint mineral systems in the western United States and Canada. VR owns its

properties outright and evaluates new opportunities on an ongoing basis, whether by staking or acquisition.

The Company continues its normal course of business in 2022 within the framework of modified exploration programs in response to the COVID-19 pandemic, with the goal of ensuring the health and safety of staff and project personnel.

Forward Looking Statements

This press release contains forward-looking statements. Forward-looking statements are typically identified by words such as: believe, expect, anticipate, intend, estimate, postulate and similar expressions or are those which, by their nature, refer to future events. Forward looking statements in this release, for example include but are not limited to the Company plans to carry out exploration on its various mineral properties held in Ontario, Canada, and Nevada, USA.

Although the Company believes that the use of such statements is reasonable, there can be no assurance that such statements will prove to be accurate, and actual results and future events could differ materially from those anticipated in such statements. The Company cautions investors that any forward-looking statements by the Company are not guarantees of future performance, and that actual results may differ materially from those in forward-looking statements. Trading in the securities of the Company should be considered highly speculative.

All of the Company's public disclosure filings may be accessed via www.sedar.com and readers are urged to review these materials.
