14.09.2022 | [CNW](#)

This news release constitutes a "designated news release" for the purposes of the Company's prospectus supplement dated October 15, 2021, to its short form base shelf prospectus dated September 10, 2021.

VANCOUVER, Sept. 14, 2022 - [Great Panther Mining Ltd.](#) (TSX: GPR) (NYSE-A: GPL) ("Great Panther" or the "Company"), reports that it has received a letter from the New York Stock Exchange (the "NYSE") notifying the Company that as a result of the filing of a notice of intention to make a proposal under the Bankruptcy and Insolvency Act (Canada) (the "BIA") and in accordance with the NYSE American Company Guide, NYSE Regulation has determined that the Company's common shares (the "Shares") will be delisted from the NYSE American LLC ("NYSE American"). The NYSE also notified the Company that trading of the Shares has been halted as of September 13, 2022.

The Company has elected not to appeal NYSE Regulation's determination. A Form 25 will be filed with the Securities and Exchange Commission, which will remove the Shares from listing and registration on the NYSE. The Company expects that its Shares will be eligible to be quoted on the OTC Pink operated by the OTC Markets Group Inc. (the "OTC Pink") if one or more brokers choose to make a market for the Shares. To the extent the Shares are quoted on the OTC Pink, the Company expects such market may provide significantly less liquidity than the NYSE American, and trading prices of the Shares may decline. However, there can be no assurances regarding any such initial quotation, the existence of a market or trading prices. Due to the risks and uncertainties resulting from the BIA proceedings, trading in the Company's Shares during the pendency of the BIA proceedings poses substantial risks.
