Toronto, October 14, 2022 - [Currie Rose Resources Inc.](#) (TSXV: CUI) ("Currie Rose" or the "Company") is pleased to announce the completion of the previously announced non-brokered private placement (See Press Release dated September 22, 2022). The Company has issued an aggregate of 79,000,001 Units at a price of C\$0.03 per Unit for aggregate gross proceeds of C\$2,370,000.03. Each Unit consists of one common share and one half of one (½) common share purchase warrant (a "Warrant").

Each Warrant entitles the holder thereof to purchase one additional Common Share at a price of C\$0.05 per Common Share at any time prior to October 14, 2024. If the volume-weighted average price of the common shares of the Company on the TSX Venture Exchange over the preceding 20 trading days is greater than C\$0.15, the Company can elect to accelerate the term of the Warrants to 30 calendar days following the date a press release announcing the notice of acceleration is issued.

Mike Griffiths, CEO, President and Director, said: "The fundraising for our North Queensland Vanadium Project has been a tremendous success, and its completion is a great milestone in the development of the Company. We are now well funded to advance our critical Vanadium project towards a Preliminary Economic Assessment (PEA) - planning is well underway with the next phases of drilling and metallurgical test work being the focus of our efforts over the next 6 to 8 months."

Of the total proceeds raised, \$220,000 will be paid to Non-Arm's Length Parties, up to \$60,000 toward Investor Relations Activities, and the balance to be used to further exploration, resource confirmation and geological sampling & testing and for general working capital purposes as set out below.
