

Sonoro comments on Trading Activity

19.10.2022 | [The Newswire](#)

CALGARY, October 19, 2022 - [Sonoro Energy Ltd.](#) ("Sonoro" or the "Company") (TSSV:SNW) (OTC:SNVFF) wishes to confirm after inquiry by IRROC that the Company's management and directors are unaware of any material change in the Company's operations that would account for the recent increase in market activity. Management can not comment on discussions or ongoing business activity as there is no assurance that such activities will result in any outcome.

Sonoro is an international oil and gas resource exploration and development company with a focus on Southeast Asia and in particular holds a 25% interest in a Production Sharing Contract called Selat Panjang on the island of Sumatra.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

This news release may contain assumptions, estimates, and other forward-looking statements regarding future events. Such forward-looking statements involve inherent risks and uncertainties and are subject to factors, many of which are beyond the Company's control that may cause actual results or performance to differ materially from those currently anticipated in such statements.

Forward-looking Statements. Certain information in this press release constitute forward-looking statements under applicable securities law. Any statements that are contained in this press release that are not statements of historical fact may be deemed to be forward-looking statements. Forward-looking statements are often identified by terms such as "may," "should," "anticipate," "expects," "estimates," "seeks" and similar expressions. In particular, without limiting the generality of the foregoing, this press release contains forward-looking information regarding the pursuit of new opportunities in the region of the Budong Budong block and Indonesia.

Forward-looking statements necessarily involve known and unknown risks, including, without limitation, risks associated oil and gas exploration, development, exploitation, production, marketing and transportation, loss of markets, volatility of commodity prices, currency fluctuations, imprecision of reserve estimates, environmental risks, competition from other producers, inability to retain drilling rigs and other services, interpretation of drilling, coring, logging and well testing results, delays resulting from or inability to obtain required regulatory approvals, inability to advance memorandums of understanding and close definitive agreements, changes in legislation including but not limited to income tax, environmental laws and regulatory matters, and ability to access sufficient capital from internal and external sources.

Readers are cautioned that the foregoing list of factors is not exhaustive. Readers are cautioned not to place undue reliance on forward-looking statements as there can be no assurance that the plans, intentions or expectations upon which they are placed will occur. Such information, although considered reasonable by management at the time of preparation, may prove to be incorrect and actual results may differ materially from those anticipated. Forward-looking statements contained in this news release are expressly qualified by this cautionary statement.

Additional information on these and other factors that could affect Sonoro's operations or financial results are

included in Sonoro's reports on file with Canadian securities regulatory authorities and may be accessed through the SEDAR website (www.sedar.com) or by contacting Sonoro. The forward looking statements contained in this news release are made as of the date of this news release, and Sonoro does not undertake any obligation to update publicly or to revise any of the included forward-looking statements, whether as a result of new information, future events or otherwise, except as expressly required by securities law.

Neither the TSX Venture Exchange nor its Regulation Service Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
