## EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

### 1. Financial Statements and Reports

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2022 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company's annual financial report is available on its website at [www.v-er.eu](http://www.v-er.eu). Hard copies of the report are available on request.

### 2. Resolution 1 - ADOPTION OF remuneration REPORT

#### 2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

#### 2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (Spill Resolution) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (Spill Meeting) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

## 2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

## 3. resolution 2 ratification of placement shares

### 3.1 Background

As announced on 24 June 2022, the Company has completed a placement of 11,448,959 Shares (Placement Shares) to Stellantis N.V. (Stellantis) at an issue price of \$6.622 per Share to raise \$76,000,000 (before costs) (Placement), with all of the Placement Shares being issued on 28 June 2022 under the Company's capacity under Listing Rule 7.1.

### 3.2 Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

The issue of the Placement Shares does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Placement Shares.

### 3.3 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Placement Shares.

Resolution 2 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Placement Shares.

### 3.4 Technical information required by Listing Rule 14.1A

If Resolution 2 is passed, the Placement Shares will be excluded in calculating the Company's combined 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Placement Shares.

If Resolution 2 is not passed, the Placement Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Placement Shares.

### 3.5 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to the Placement Shares issued under the Company's existing capacity and the subject of Resolution 2:

- (a) the Placement Shares were issued to Stellantis whom the Company had previously signed an offtake agreement with;
- (b) 11,448,959 Shares were issued pursuant to Listing Rule 7.1; and
- (c) the Placement Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (d) the Placement Shares were issued on 28 June 2022;
- (e) the issue price was \$6.622 per Placement Share;
- (f) the funds raised pursuant to the issue of the Placement Shares will go towards Vulcan's planned production expansion drilling in its producing Upper Rhine Valley Brine Field (URVBF);
- (g) the Placement Shares were issued pursuant to the terms of a Subscription Agreement. A summary of the material terms of the Subscription Agreement is set out in Section 3.1 above; and
- (h) a voting exclusion statement for Resolution 2 is included in the Agenda of this Notice.

## 4. Resolution 3 - Re-election of director - ms annie liu

### 4.1 General

Listing Rule 14.4 and clause 14.2 of the Constitution provide that, other than a managing director, a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or 3 years, whichever is the longer. However, where there is more than one managing director, only one is entitled to be exempt from this rotation requirement.

Ms Liu, who has served as a Director since 18 March 2021, retires by rotation and seeks re-election.

### 4.2 Qualifications and other material directorships

### 5. Resolutions 4 and 5 - election of directors - dr Günter hilken and mark skelton

#### 5.1 General

The Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to the Constitution and Listing Rule 14.4, any Director so appointed holds office only until the next annual general meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Dr Günter Hilken, having been appointed by other Directors on 23 March 2022 in accordance with the Constitution, will retire in accordance with the Constitution and Listing Rule 14.4 and being eligible, seeks election from Shareholders.

Mark Skelton, having been appointed by other Directors on 19 April 2022 in accordance with the Constitution, will retire in accordance with the Constitution and Listing Rule 14.4 and being eligible, seeks election from Shareholders.

#### 5.2 Qualifications and other material directorships - Dr Günter Hilken

Dr Hilken has over 35 years' experience in and a deep understanding of the German chemicals, renewables and infrastructure investment sectors and, through leading industry advocacy associations, the German Government at the State and Federal level. Dr Hilken's experience and connections will help Vulcan ensure that geothermal energy becomes a foundation of Germany's supply of sustainable and secure renewable energy as Germany diversifies away from local carbon-based energy sources and Russian energy.

He was previously CEO of Currenta for 9 years, held senior executive roles with Bayer in Germany, the US, Canada and Asia and was a Director of RWE Power AG.

#### 5.4 Independence

If re-elected the Board considers that each of Dr Hilken and Mr Skelton will be independent Directors.

#### 5.5 Other material information

Accordingly, the Board supports the elections of Dr Hilken and Mr Skelton and recommends that Shareholders vote in favour of the respective Resolutions.

2. Lowest quartile absolute GHG emissions (Scope 1, 2, 3) (7.5%).

(c) Total Shareholder Returns "TSR" (30% weighting).

1. The TSR calculation is based on a combination of absolute TSR (Vulcan share price only) (10%) and relative (Peer Group) TSR (20%) over the four years from 1 July 2022 to 30 June 2026 (Measurement Period).
2. Relative TSR is based on an increase in share-price and market capitalisation relative to a basket of peer companies in the lithium sector and wider resource companies predominately in the ASX 300 (recommended by BDO) comparative to the beginning of the review period.

Absolute and relative TSR will be calculated are as follows:

Absolute

Absolute TSR (TSR performance over the Measurement Period) subject to meeting the following compound annual rate thresholds):

Greater than 12.5%: 100%

Between 10% and 12.5%: 75% - 99%

Between 7.5% and 10%: 50% - 74%

Less than 7.5%: 0%

Interpolated vesting on a straight line where the return per annum is between 7.5% and 12.5%.

Relative

TSR performance over the Measurement Period relative to the constituent companies in the Peer Group) subject to the following percentile thresholds:

Greater than 75th: 100%

Between 50th and 75th: 50% - 99%

Less than 50th: 0%

Interpolated vesting on a straight line between the 50th and 75th percentile.

These milestones will be tested by the People & Performance Committee at the end of the Measurement Period to determine the percentage of LTI Performance Rights that vest. Any unvested LTI Performance Rights will lapse.

Vested LTI Performance Rights will expire on 30 June 2027.

Vesting

The Board may, acting reasonably and subject to complying with the Corporations Act and ASX Listing Rules, adjust the Vesting Conditions relating to:

1. market, political or technical conditions beyond the control of the recipient;
2. budgets to take into account acquisitions or divestments or other significant items during the relevant financial year where appropriate; and
3. financial metrics to take into account any significant non-cash items (for example impairment losses), acquisitions or divestments, revenue received in the form of government grants, rebates or other payments, and one-off events/non-recurring items where appropriate.

Despite any other provision, all unvested Performance Rights will automatically vest in the event of a Change of Control.

A summary of the material terms and conditions of the Wedin Performance Rights is set out in Schedule 1.

#### NED Service Rights

The Performance Rights issued to Dr Hilken and Mr Skelton (NED Service Rights) will be issued at a deemed issue price equal to the volume weighted average price (VWAP) for Shares over the 10 consecutive trading days prior to the date of this Meeting.

Each Performance Right will be convertible into Shares on a one for one basis subject to satisfaction of the following Vesting Conditions:

Despite any other provision, all unvested Performance Rights will automatically vest in the event of a Change of Control.

The NED Service Rights will expire 48 months from issue.

A summary of the material terms and conditions of the NED Service Rights is set out in Schedule 1.

The table below shows the indicative number of NED Service Rights to be issued, based on the Company's closing Share price of \$7.27 on 7 October 2022. For illustrative purposes, the table also shows the number of Performance Rights to be issued should that Share price increase or decrease by 25%.

#### 6.3 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of the Related Party Securities to the Related Parties (or their nominees) constitutes giving a financial benefit and the Related Parties are related parties of the Company by virtue of being Directors.

The Directors (other than the Related Parties who have a material personal interest in the Resolution)

consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the grant of the Related Party Securities because the issue of these Securities, considered as part of the total remuneration package for the relevant Related Party, is considered reasonable remuneration in the circumstances and was negotiated on an arm's length basis.

#### 6.4 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue of the Related Party Securities falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

Resolutions 6 - 8 seek the required Shareholder approval for the issue of the Related Party Securities under and for the purposes of Listing Rule 10.11.

#### 6.5 Technical information required by Listing Rule 14.1A

If Resolutions 6 - 8 are passed, the Company will be able to proceed with the issue of the applicable Related Party Securities within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the applicable Performance Rights (because approval is being obtained under Listing Rule 10.11), the issue of the applicable Performance Rights will not use up any of the Company's 15% annual placement capacity.

If Resolutions 6 - 8 are not passed, the Company will not be able to proceed with the issue of the Related Party Securities and will need to consider alternative structures to ensure that the Related Parties are properly incentivised. Any such alternative structure may involve an additional cash consideration at a time when the company is seeking to preserve cash for use in developing its lithium projects.

#### 6.6 Technical information required by Listing Rule 10.13

Pursuant to and in accordance with Listing Rule 10.13, the following information is provided in relation to Resolutions 6 - 8:

- a) the Related Party Securities will be issued to the Related Parties (or their nominees), who fall within the category set out in Listing Rule 10.11.1 by virtue of the Related Parties currently being Directors;
- b) the maximum number of Performance Rights to be issued will be 142,000 Wedin Performance Rights plus that number of NED Service Rights calculated by dividing \$210,000 by the VWAP of the Company's Shares over the 10 consecutive trading days prior to the date of this Meeting;
- c) a summary of the material terms and conditions of the Related Party Securities are set out in Schedule 1;

d) the Shares to be issued on satisfaction of the relevant Vesting Conditions and exercise of the Performance Rights will be issued on the same terms as and will rank equally with the existing Shares on issue;

e) the Performance Rights will be issued no later than 1 month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is intended that the issue will occur on the same date;

f) the Performance Rights will be issued for nil cash consideration;

g) the Company has determined to grant the Performance Rights to the Related Parties for the following reasons:

(i) the issue of Performance Rights to the Related Parties will align the interests of the Related Parties with those of Shareholders;

(ii) the issue of the Performance Rights is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Related Parties; and

(iii) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in granting the Performance Rights on the terms proposed;

h) the current total remuneration package for each of the Related Parties is set out in the table below:

Related Party	Total Remuneration Package (FY2023)
Dr Francis Wedin	\$638,000 <sup>1</sup>
Dr Günter Hilken	\$60,000 <sup>2</sup>
Mark Skelton	\$60,000 <sup>3</sup>

Notes:

1. Comprising executive remuneration of \$638,000. If the applicable Performance Rights are issued, the total remuneration package will increase by \$1,096,240 (based on the closing Share price of \$7.27 on 7 October 2022) expensed over the vesting period being the indicative value of the applicable Performance Rights.

2. Comprising executive remuneration of \$60,000 plus committee fees. If the applicable Performance Rights are issued, the total remuneration package will increase by \$105,000, being the indicative value of the applicable Performance Rights as set out in paragraph i) below expensed over the vesting period.

3. Comprising executive remuneration of \$60,000 plus committee fees. If the applicable Performance Rights are issued, the total remuneration package will increase by \$105,000, being the indicative value of the applicable Performance Rights as set out in paragraph i) below expensed over the vesting period.

i) as noted above, the Company is proposing to issue:

i) 142,000 Performance Rights to Dr Wedin; and

ii) NED Service Rights to the total value of \$210,000 at a deemed issue price of equal to the VWAP for Shares over the 10 consecutive trading days prior to the date of this Meeting. Based on the closing price for Shares on 7 October 2022, the indicative number of Performance Rights to be issued is 14,443 to each of Dr Hilken and Mr Skelton.

j) the Performance Rights are being issued under employment agreements. For further information see the Company's announcement of 21 September 2022 and the Remuneration Report contained in the Company's Annual Report lodged on 28 September 2022;

k) no loan is being made to the Related Parties in connection with the issue of the Performance Rights; and

l) a voting exclusion statement for Resolutions 6 - 8 is included in the Agenda.

#### Board Recommendation

All of the Directors:

a) apart from Dr Wedin recommend that Shareholders vote in favour of Resolution 6;

b) apart from Dr Hilken recommend that Shareholders vote in favour of Resolution 7; and

c) apart from Mr Skelton recommend that Shareholders vote in favour of Resolution 8.

### 7. Resolution 9 - INCREASE IN TOTAL AGGREGATE REMUNERATION FOR non-executive DIRECTORS

#### 7.1 General

Listing Rule 10.17 provides that an entity must not increase the total aggregate amount of directors' fees payable to all of its non-executive directors without the approval of holders of its ordinary securities.

Directors' fees include all fees payable by the entity or any of its child entities to a non-executive director for acting as a director of the entity or any of its child entities (including attending and participating in any board committee meetings), superannuation contributions for the benefit of a non-executive director and any fees which a non-executive director agrees to sacrifice for other benefits. It does not include reimbursement of genuine out of pocket expenses, genuine "special exertion" fees paid in accordance with an entity's constitution, or securities issued to a non-executive director under Listing Rules 10.11 or 10.14 with the approval of the holders of its ordinary securities.

Clauses 14.7 and 14.8 of the Constitution also provide that total aggregate remuneration payable to the non-executive Directors will not exceed the sum initially set by the Constitution and subsequently increased by ordinary resolution of Shareholders in a general meeting.

The maximum aggregate amount of fees payable to the non-executive Directors is currently set at \$650,000.

This Resolution seeks Shareholder approval for the purposes of clause 14.8 of the Constitution and Listing Rule 10.17 to increase the total aggregate amount of fees payable to non-executive Directors to \$950,000 to allow for the appointment of additional directors and to be able to match future director fees with the size of operations and business complexity of the Company under current growth plans.

The maximum aggregate amount of fees proposed to be paid to non-executive Directors per annum has been determined after reviewing similar companies listed on ASX, companies with major projects in Europe and companies listed in Europe in the materials and energy sectors and the Directors believe that this level of remuneration is in line with corporate remuneration of similar companies and is in line with the recommendations of its external remuneration advisers.

#### 7.2 Technical information required by Listing Rule 10.17

If this Resolution is passed, the maximum aggregate amount of fees payable to the non-executive Directors will increase by \$300,000 to \$950,000. Whilst it is not envisaged that the maximum amount sought will be utilised immediately, the increase to maximum aggregate amount of fees payable may enable the Company to:

- (a) fairly remunerate both existing and any new non-executive directors joining the Board;
- (b) remunerate its non-executive Directors appropriately for the expectations placed upon them both by the Company and the regulatory environment in which it operates; and
- (c) have the ability to attract and retain non-executive directors whose skills and qualifications are appropriate for a company of the size and nature of the Company.

If this Resolution is not passed, the maximum aggregate amount of fees payable to non-executive Directors will remain at \$650,000. This may inhibit the ability of the Company to remunerate, attract and retain appropriately skilled non-executive directors.

In addition to the performance rights the subject of Resolutions 6, 7 and 8 for which shareholder approval is being sought, during the past 3 years, the Company has issued an aggregate of 100,000 Shares and 3,238,688 Performance Rights to non-executive Directors pursuant to Listing Rules 10.11 and 10.14.

These Securities were issued to the following non-executive Directors:

- (a) 12,896 Performance Rights to Ms Annie Liu;
- (b) 12,896 Performance Rights to Ms Josephine Bush;
- (c) 12,896 Performance Rights to Dr Heidi Grön;
- (d) 3,000,000 Performance Rights to Mr Gavin Rezos[1]; and
- (e) 200,000 Performance Rights and 100,000 Shares to Ms Ranya Alkadamani<sup>1</sup>.

### 7.3 Board Recommendation

Given the interest of the non-executive Directors in this Resolution, the Board makes no recommendation to Shareholders regarding this Resolution.
