# Metal Energy and Mistango River Announce Exploration Option Agreement and Call Option Agreement regarding the Manibridge Project

02.11.2022 | CNW

24.11.2025 Seite 1/4

TORONTO, Nov. 2, 2022 - Metal Energy Corp. (TSXV: MERG) (the "Company" or "Metal Energy") and Mistango River Inc. (CSE:MIS) ("Mistango") are pleased to jointly announce that they have entered into an option agreement (the "Opt Agreement") and a call option agreement (the "Call Option Agreement"), each dated October 28, 2022. Each such agree pertains to a 15% interest ?(except the NSR as defined below)? (the "Interest") in Metal Energy's Manibridge project (the consisting of 19 mineral claims encompassing approximately 4,368 hectares, located in the province of Manitoba, approximately 4,368 hectares southwest of Wabowden, Manitoba.

# Terms of the Option Agreement

Pursuant to the Option Agreement, Metal Energy, as optionor, granted Mistango, as optionee, an option to acquire the the Project. Consideration for acquiring the Interest is the carrying out by Mistango of an aggregate of \$1,500,000 in we obligations to enable the carrying out of exploration work on the project by not later than December 31, 2022 (the "World Obligations"). ?

The \$1,500,000 in Work Obligations will be incurred primarily through third-party contractors and for drilling, drill-related geophysics, reports and sampling and all services in support thereof, but will also include all necessary maintenance are costs including taxes or fees levied by the Province of Manitoba or its agencies or the local municipality (but not sales to taxes on income or profits) relating to the Project. The Company shall be entitled to charge a management fee equal to such third-party costs, which shall form part of the Work Obligations. No partial interest in the Mining Claims will be earn Mistango until the Work Obligations have been met completely.? Mistango may, at any time or times, accelerate the Wook Obligations prior to its due ?date in order to earn its Interest in the Project earlier.?

The Mining Claims are subject to the following net smelter royalties ("NSRs"): (a) a two percent NSR on the Project hel Glencore of which the Optionee has the right to buy back half (50% of the aforementioned two percent thereof), at a pri \$1,000,000 prior to the expiry of one year after the start of commercial production; and (b) a one percent NSR on claim and P1262F and a two percent NSR on the other 17 claims of the Project being acquired from CanAlaska.

### Terms of the Call Option Agreement

Pursuant to the Call Option Agreement, Mistango, as vendor, agreed to sell the Interest in the Project to Metal Energy, purchaser, on the ?closing date. Such closing date to be on or before thirty days after Metal Energy has given notice to its desire to exercise its call option (the "Closing Date"). Such call option is Metal Energy's right to acquire the Interest after February 28, 2023 but before April 30, 2024 (the "Call Option")??. ?The purchase price payable by Metal Energy for the Interest on the ?Closing Date is \$2,250,000, which may be paid, at the sole option of Metal Energy, in cash or ? shares of Metal Energy ("Metal Energy Shares"). If paid in Metal Energy Shares, the price per share shall be ?equal to VWAP of such shares on the TSX Venture Exchange (the "Exchange") ending three business days prior to the ?Closin The Interest is subject to the NSR

The exercise of the Call Option and the completion of the transfer of Interest from Mistango to Metal Energy at the Clos shall be subject to the prior approval of the Exchange. There is no assurance that Exchange approval of the Call Option obtained. ?The Option Agreement and the Call Option Agreement are also subject to the approval of Metal Energy's particular Canalaska Uranium Ltd. And Glencore Canada Corporation.

## Additional Information on the Transaction

The Option Agreement and Call Option Agreement involve "Non-Arm's Length Parties" as such term is defined Policy 1 Exchange, as Stephen Stewart, Alex Stewart, and Charles Beaudry, directors of Metal Energy, are ?also directors of M accordance with Policy 5.3 of the Exchange, the Option Agreement and the Call Option Agreement constitute a "Review Disposition" for Metal Energy and a "Reviewable Acquisition" for Mistango.
