

# Goldshore Announces Town Hall Webinar

15.11.2022 | [Newsfile](#)

Vancouver, November 15, 2022 - [Goldshore Resources Inc.](#) (TSXV: GSHR) (OTCQB: GSHRF) (FSE: 8X00) ("Goldshore" or the "Company"), is pleased to announce that it will be conducting a Town Hall Webinar on Wednesday, November 16, 2022 at 10:00 am EST.

Brett Richards, President and CEO, and Peter Flindell, Vice President - Exploration, will update shareholders on the exploration progress and geological understanding of the Company's 100%-owned Moss Lake Gold Project in Northwest Ontario, Canada (the "Moss Lake Gold Project").

The Webinar will be hosted as a 6ix Summit event. All stakeholders and interested investors are invited to attend. The playback will then be available on the Company's website.

Please join the Town Hall Webinar here: [Goldshore Town Hall Webinar](#)

Goldshore also announces that its board of directors has adopted an Omnibus Incentive Plan (the "Plan"), under which the Company may grant its directors, officers, employees and consultants stock options, restricted share units, and deferred share units (together the "Share Based Compensation") of the Company and which reserves up to 10% of its outstanding shares as Share Based Compensation. The Plan is subject to the approval of the shareholders of the Company at its next Annual General & Special Meeting. Any grants of Share Based Compensation made under the Plan will also be subject to the approval of disinterested shareholders at the next Annual General & Special Meeting of the Company.

## About Goldshore

Goldshore is an emerging junior gold development company, and owns the Moss Lake Gold Project located in Ontario. Wesdome Gold Mines Ltd. is currently a large shareholder of Goldshore with an approximate 27% equity position in the Company. Well-financed and supported by an industry-leading management group, board of directors and advisory board, Goldshore is positioned to advance the Moss Lake Gold Project through the next stages of exploration and development.

Neither the TSXV nor its Regulation Services Provider (as that term is defined in the policies of the TSXV) accepts responsibility for the adequacy or accuracy of this release.

## Cautionary Note Regarding Forward-Looking Statements

This news release contains statements that constitute "forward-looking statements." Such forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause the Company's

actual results, performance or achievements, or developments to differ materially from the anticipated results, performance or achievements expressed or implied by such forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects," "plans," "anticipates," "believes," "intends," "estimates," "projects," "potential" and similar expressions, or that events or conditions "will," "would," "may," "could" or "should" occur.

Forward-looking statements in this news release include, among others, statements relating to expectations regarding the exploration and development of the Moss Lake Gold Project, approval of the Plan and grants under the Plan, and other statements that are not historical facts. By their nature, forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause our actual results, performance or achievements expressed or implied by such forward-looking statements. Such factors and risks include, among others: the Company may require additional financing from time to time in order to continue its operations which may not be available when needed or on acceptable terms and conditions acceptable; compliance with extensive government regulation; domestic and foreign laws and regulations could adversely affect the Company's business and results of operations; the stock markets have experienced volatility that often has been unrelated to the performance of companies and these fluctuations may adversely affect the price of the Company's securities, regardless of its operating performance; the impact of COVID-19; the ongoing military conflict in Ukraine; and other risk factors outlined in the Company's public disclosure documents.

The forward-looking information contained in this news release represents the expectations of the Company as of the date of this news release and, accordingly, is subject to change after such date. Readers should not place undue importance on forward-looking information and should not rely upon this information as of any other date. The Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.
