Notes

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's performance for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that provides additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions and provisions of, AASB 6: Exploration for and Evaluation of Mineral Resources and AASB 107: Statement of Cash Flows apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed to by the entity under Listing Rule 19.11A, the corresponding equivalent standards apply to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the authority of the board of directors authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of the committee, eg Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations, your board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity are properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the financial flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
