

Noble Corporation plc announces changes to its share capital

26.11.2022 | [PR Newswire](#)

SUGAR LAND, Nov. 26, 2022 - [Noble Corporation plc](#) ("Noble") (CSE: NOBLE, NYSE: NE) today announces changes to its share capital.

3,170 A ordinary shares with a nominal value of USD 0.00001 each (the "Excess Shares") issued by Noble in connection with the completion of the compulsory purchase of the remaining outstanding shares of The Drilling Company of 1972 A/S ("Maersk Drilling") (the "Compulsory Purchase") have been cancelled.

As further described in the Notice concerning the compulsory purchase to the shareholders of Maersk Drilling pursuant to sections 70-72 of the Danish Companies Act as published by Noble on October 4, 2022, the Excess Shares were issued due to the exchange ratio in the Compulsory Purchase of 1.6137 share entitlements, representing A ordinary shares of Noble, for each outstanding Maersk Drilling share resulting in the holders of Maersk Drilling shares, who elected to receive share consideration in the Compulsory Purchase, being entitled to a number of fractional share entitlements representing fractional A ordinary shares of Noble. Such fractional share entitlements were not delivered in the Compulsory Purchase to the holders of Maersk Drilling shares but were instead settled in cash in accordance with the terms of the Compulsory Purchase. As a result, the Excess Shares representing the totality of the fractional share entitlements not delivered in the Compulsory Purchase have been cancelled.

In addition, during the period since November 10, 2022, 2,188 new A ordinary shares each with a nominal value of USD 0.00001 have been issued to certain holders of warrants as a consequence of cash and cashless exercises of warrants. The exercise price was USD 19.27 per A ordinary share for 1,248 of the new A ordinary shares, USD 23.13 per A ordinary share for 407 of the new A ordinary shares, USD 124.40 per A ordinary share for 18 of the new A ordinary shares and 515 new A ordinary shares were issued as a result of cashless exercises. The total proceeds to Noble from the warrant exercises amount to USD 35,702.07.

The new A ordinary shares carry the same rights as the existing A ordinary shares of Noble. The new A ordinary shares have been admitted to trading and official listing on Nasdaq Copenhagen.

As a result of the changes, there are a total of 135,084,799 A ordinary shares of Noble issued and outstanding with a nominal value of USD 0.00001 each.
