SolGold PLC Announces Completion of Osisko US$50mn Royalty Financing

01.12.2022 | ACCESS Newswire

BISHOPSGATE, December 1, 2022 - The Board of Directors of SolGold (LSE:SOLG)(TSX:SOLG) is pleased to announce that SolGold has completed the previously announced US$50 million royalty financing pursuant to the Royalty Financing Agreement ("Royalty Financing") with Osisko Gold Royalties Ltd. ("Osisko") in relation to the Company's Cascabel copper-gold project in northern Ecuador.

Osisko has been granted a 0.6% royalty interest to be calculated by reference to net smelter returns from the Cascabel concession area in accordance with the terms and conditions set out in the Royalty Financing Agreement.

Scott Caldwell, Interim CEO of SolGold, commented:

"I would like to sincerely thank Osisko for their unwavering endorsement of SolGold and the Cascabel Project. World class deposits need many world class partners in order to achieve their maximum potential, and we are pleased to add Osisko to our list of supporters. This financing provides the Company with greater optionality going forward and is an overwhelmingly positive development for all our stakeholders. SolGold is very well-positioned to advance strategic project initiatives and accelerate exploration opportunities that hold the most significant potential to generate shareholder value."

Sandeep Singh, President and CEO of Osisko, commented:

"Osisko is extremely pleased to partner with SolGold at this exciting time. The Cascabel project is one of very few projects of its size and quality at this stage of development, and we are pleased to be participating in the Company's future success."

Maxit Capital LP is acting as financial advisor to SolGold.

This announcement was approved for release by Rufus Gandhi - Company Secretary.

CAUTIONARY NOTICE

News releases, presentations and public commentary made by SolGold plc (the "Company") and its Officers may contain certain statements and expressions of belief, expectation or opinion which are forward looking statements, and which relate, inter alia, to interpretations of exploration results to date and the Company's proposed strategy, plans and objectives or to the expectations or intentions of the Company's Directors, including the plan for developing the Project currently being studied as well as the expectations of the Company as to the forward price of copper. Such forward-looking and interpretative statements involve known and unknown risks, uncertainties and other important factors beyond the control of the Company that could cause the actual performance or achievements of the Company to be materially different from such interpretations and forward-looking statements.

Accordingly, the reader should not rely on any interpretations or forward-looking statements; and save as required by the exchange rules of the TSX and LSE or by applicable laws, the Company does not accept any obligation to disseminate any updates or revisions to such interpretations or forward-looking statements. The Company may reinterpret results to date as the status of its assets and projects changes with time expenditure, metals prices and other affecting circumstances.

This release may contain "forward?looking information" within the meaning of applicable Canadian securities legislation. Forward?looking information includes, but is not limited to, statements regarding the Company's plans for developing its properties. Generally, forward?looking information can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved".

Forward?looking information is subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such forward?looking information, including but not limited to: transaction risks; general business, economic, competitive, political and social uncertainties; future prices of mineral prices; accidents, labour disputes and shortages and other risks of the mining industry. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Factors that could cause actual results to differ materially from such forward-looking information include, but are not limited to, risks relating to the ability of exploration activities (including assay results) to accurately predict mineralization; errors in management's geological modelling and/or mine development plan; capital and operating costs varying significantly from estimates; the preliminary nature of visual assessments; delays in obtaining or failures to obtain required governmental, environmental or other required approvals; uncertainties relating to the availability and costs of financing needed in the future; changes in equity markets; inflation; the global economic climate; fluctuations in commodity prices; the ability of the Company to complete further exploration activities, including drilling; delays in the development of projects; environmental risks; community and non-governmental actions; other risks involved in the mineral exploration and development industry; the ability of the Company to retain its key management employees and skilled and experienced personnel; and those risks set out in the Company's public documents filed on

SEDAR at www.sedar.com. Accordingly, readers should not place undue reliance on forward?looking information. The Company does not undertake to update any forward-looking information, except in accordance with applicable securities laws.

The Company and its officers do not endorse, or reject or otherwise comment on the conclusions, interpretations or views expressed in press articles or third-party analysis.
