Dr. Rebecca Hunter Appointed Vice President, Exploration at Forum Energy Metals

01.12.2022 | Newsfile

Vancouver, December 1, 2022 - <u>Forum Energy Metals Corp.</u> (TSXV: FMC) (OTCQB: FDCFF) ("Forum" or "the Company") is pleased to announce that Dr. Rebecca Hunter has been appointed as Vice President, Exploration of the Company.

Rick Mazur, President and CEO, stated, "I am pleased that Rebecca has taken on the leadership role at Forum to advance the Company's uranium and energy metals projects. Former VP, Exploration, Ken Wheatley will continue to focus his attention on the Company's exploration portfolio as Chief Geologist."

Dr. Hunter stated, "I am very excited to join the Forum exploration team with the goal of increasing company value through quality exploration work. My focus will be on the advancement of Forum's Thelon Project, which includes increasing the resources at the Tatiggaq and Qavvik deposits, as well as to progress Forum's Saskatchewan assets to a discovery stage."

Dr. Hunter has 15 years' experience as a uranium exploration geologist in Saskatchewan and Nunavut. She began her career as an exploration geologist for Cameco from 2005 to 2016 and later as an independent geological consultant from 2017 to 2019. At Cameco, Dr. Hunter led the Turqavik-Aberdeen exploration project, which discovered the high-grade Tatiggaq and Qavvik uranium deposits adjacent to Orano's (formally AREVA) Kiggavik Project in Nunavut. From 2015 to 2016, Dr. Hunter worked on the Dawn Lake project team advancing Cameco's exploration northeast of Cigar Lake. She completed her Ph.D. degree in 2021 at Laurentian University, which focused on the structural geology and uranium metallogenesis of the northeast Thelon Basin.

Prior to joining Forum Energy Metals, Dr. Hunter spent 3.5 years as a Senior Minerals Geologist with the British Columbia Geological Survey focusing on the stratigraphy and structure of VMS, epithermal, and Cu porphyry mineral deposit systems in the Golden Triangle, northwest British Columbia. Dr. Hunter is a Professional Geoscientist (P. Geo.) with the Association of Professional Engineers and Geoscientists in Saskatchewan, British Columbia and Northwest Territories/Nunavut.

Stock Options

The Company also announces that, in accordance with the Company's stock option plan, it has granted to certain of its directors, officers, employees and consultants incentive stock options to purchase up to an aggregate of 500,000 common shares exercisable on or before December 1, 2027 at a price of \$0.13 per share.

Richard Mazur, P.Geo., Forum's President & CEO and Qualified Person under National Instrument 43-101, has reviewed and approved the contents of this news release.
