

Newmont Ranked Top Miner in 2022 Dow Jones Sustainability World Index

13.12.2022 | [Business Wire](#)

For the 15th year in a row, [Newmont Corp.](#) (NYSE: NEM, TSX: NGT) joins the Dow Jones Sustainability & TRADE; World Index (DJSI World), representing the top 10% of the largest 2,500 companies in the S&P Global Broad Market Index. DJSI World membership is based on long-term economic factors, as well as leading environmental, social and governance (ESG) performance evaluated through the 2022 S&P Global Corporate Sustainability Assessment (CSA).

In addition to being ranked number one in the Metals and Mining Industry, Newmont received the top score for the Governance and Environment dimensions and earned top decile performance in 23 of the 25 CSA performance categories. The ranking is based upon Newmont's performance in calendar year 2022. As of December 9, 2022, the company achieved the highest score out of 147 metals and mining companies assessed in the CSA.

"At Newmont, our unwavering commitment to leading ESG practices is woven into the fabric of our company and fundamental to the way in which we operate," said Tom Palmer, President and CEO of Newmont. "We are honored to be the metals and mining leader on the DJSI World Index and remain focused on our purpose to create value and improve lives through sustainable and responsible mining."

The CSA assesses companies' quality of management and future performance potential by evaluating the three dimensions of ESG through 25 categories of financially material sustainability information. The results allow investors to integrate ESG factors into their investment decisions, and identify those companies that are well-positioned to address current and future sustainability-driven challenges and opportunities.
