*Cautionary Notice: This news release contains forward-looking statements which constitute "forward-looking information" within the meaning of applicable Canadian securities legislation. This forward-looking information includes or relates to, among other things, the anticipated timing of closing of the Arrangement. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved".*

*Forward-looking information involves and is subject to known and unknown risks, uncertainties and other factors beyond Cornerstone's control that may cause the actual results to be materially different from those expressed or implied by such forward-looking information, including but not limited to: transaction risks; general business, economic, competitive, political and social uncertainties; future mineral prices; accidents, labour disputes and shortages and other risks of the mining industry; the possibility that the Arrangement will not be completed on the terms and conditions, or on the timing, currently contemplated, and that it may not be completed at all, due to a failure to obtain or satisfy, in a timely manner or otherwise, the conditions of closing necessary to complete the Arrangement or for other reasons; the failure to realize the expected benefits of the Arrangement; and other risks inherent to the business carried out by Cornerstone and/or factors beyond its control which could have a material adverse effect on Cornerstone or its ability to complete the Arrangement. Although Cornerstone has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on any forward-looking information. Cornerstone does not undertake any obligation to disseminate any updates or revisions to such forward-looking information, except as required by the policies of the TSX Venture Exchange or in accordance with applicable Canadian securities laws.*
