VANCOUVER, January 24, 2023 - [Storm Exploration Inc.](#) (TSX-V:STRM) ("StormEx" or the "Company") is pleased to announce that it has today closed the Company's non-brokered private placement, previously announced on January 18, 2023 (the "Offering"). The closing is subject to final acceptance of the TSX Venture Exchange.

Pursuant to the Offering, the Company has issued 8,343,836 units (the "Units") at a price of \$0.12 per Unit, for aggregate gross proceeds of \$1,001,260. Each Unit consists of one common share of the Company and one-half warrant (a "Warrant") each whole Warrant entitling the holder thereof to acquire an additional common share (the "Warrant Share") of the Company at an exercise price of \$0.18 per Warrant Share for a period of 24 months from the date of issuance.

In connection with the closing of the Offering, StormEx has paid aggregate cash finders' fees of \$32,467 to arm's length finders, representing 6% of the proceeds raised from subscriptions by certain placees introduced by the finders. The Company has issued to the finders share purchase warrants (the "Finder's Warrants") entitling the purchase of an aggregate 255,000 common shares, on the same terms as the Warrants.

The shares acquired by the placees under the Offering, and any shares which may be acquired upon the exercise of the Warrants and the Finder's Warrants, are subject to a hold period until May 25, 2023, in accordance with applicable Canadian securities legislation.

The proceeds from the Offering will be used for general working capital purposes.

Two related parties (as such term is defined in Multilateral Instrument 61-101 -Protection of Minority Security Holders in Special Transactions ("MI 61-101")) participated in the Offering and acquired an aggregate of 933,333 Units. This portion of the Offering constituted a related party transaction for the purposes of TSX Venture Exchange Policy 5.9 and MI 61-101. The Company relied on Section 5.5(a) of MI 61-101 for an exemption from the formal valuation requirement and Section 5.7(1)(a) of MI 61-101 for an exemption from the minority shareholder approval requirement of MI 61-101 as the fair market value of the transaction insofar as the transaction involved interested parties did not exceed 25% of the Company's market capitalization.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) has reviewed or accepts responsibility for the adequacy or accuracy of this release.
