08.02.2023 | [The Newswire](#)

Vancouver, BC - February 8, 2023 - [Alianza Minerals Ltd.](#) ("Alianza") (TSX-V:ANZ) (OTC:TARSF) is pleased to announce that it intends to reprice a total of 19,100,000 outstanding common share purchase warrants ("Warrants"). The Warrants, which expire on February 25, 2023, will be repriced from the current \$0.10 exercise price to \$0.05 (the "Warrant Amendments").

The Warrant Amendments are subject to acceptance by the TSX Venture Exchange (the "Warrant Amendment Approval").

Immediately following the Warrant Amendments, the Company will run a warrant exercise incentive program (the "Incentive Program") designed to encourage the early exercise of the Warrants.

Under the Incentive Program, the Company is offering an inducement to each Warrant holder that exercises their Warrants during a period of 30 days from receipt of Warrant Amendment Approval (the "Early Exercise Period"), by the issuance of one additional common share purchase warrant (an "Incentive Warrant") for each Warrant exercised early. Each Incentive Warrant will entitle the holder to purchase one additional common share for a period of 24 months from the date of issuance of such Incentive Warrant, at a price of \$0.10. The Program will commence upon receipt of Warrant Amendment Approval and will expire 30 days thereafter at 4:00 p.m. (Vancouver time). The Incentive Warrants will be subject to a four-month hold period from the date of issuance.

The Company intends to issue a news release upon receipt of Warrant Amendment Approval and commencement of the Incentive Program outlining the terms and conditions and the method of exercising the Warrants pursuant to the Incentive Program. The Incentive Program remains subject to TSX Venture Exchange Approval.
