

Imperial Mining Announces Closing of Second and Final Tranche of a Private Placement of Units and Flow-Through Shares

13.02.2023 | [GlobeNewswire](#)

MONTREAL, Feb. 13, 2023 - [Imperial Mining Group Ltd.](#) ("Imperial" or the "Corporation") (TSX VENTURE: IPG) is pleased to announce that it closed today the second and last tranche of a non-brokered private placement (the "Offering") consisting of 2,991,155 units (each, a "Unit") at a price of \$0.09 per Unit for total gross proceeds of \$269,204. Each Unit is comprised of one (1) common share (each a "Share") and half (1/2) of a Share purchase warrant, with each whole warrant entitling the holder to acquire one (1) additional Share of the Corporation at a price of \$0.14 over a period of 24 months from the closing date.

The Corporation was thus able to raise a total of \$710,982.08 in the Offering with both tranches.

The Corporation will use the proceeds of the Offering to complete exploration drilling on the Southern Lobe of the Corporation's Crater Lake scandium-rare earth zone above the -100 m vertical level of the TG Zone, complete optimization work on the process flow sheet and other corporate purposes.

"I am very pleased with the investor reception in connection with this offering," said Imperial President & CEO, Peter Cashin. "The recent positive developments in the growth potential of the scandium market as a critical element in high-strength aluminum alloys has been supportive. We remain confident our views on the commodity's critical importance for the aerospace, automotive and defense sectors moving forward."

In connection with this second and last tranche of the Offering, no commission or finders' fee was paid by the Corporation. All securities issued pursuant to the Offering are subject to the applicable statutory hold period of four (4) months and one (1) day from the closing. The Offering is subject to the final approval of the TSX Venture Exchange.
