

# SolGold PLC Announces Publication of Prospectus

22.02.2023 | [ACCESS Newswire](#)

BISHOPSGATE, February 22, 2023 - Further to the announcement on 7 October 2022, SolGold (LSE:SOLG)(TSX:SOLG) announces that its prospectus (the "Prospectus") has been approved by the Financial Conduct Authority ("FCA") and has been published by the Company today. The Prospectus is available for viewing on the Company's website at <https://www.solgold.com.au/investors-center>.

The Prospectus relates to the admission of 525,954,360 of the Company's shares to the Official List and to trading on the London Stock Exchange's Main Market for listed securities ("Admission"). This is in connection to the previously announced plan of arrangement (the "Arrangement") pursuant to which SolGold will acquire all of the issued and outstanding shares of [Cornerstone Capital Resources Inc.](#) (TSXV:CGP; OTC:CTNXF; FWB:GWN1) ("Cornerstone"), other than Cornerstone shares already held by SolGold.

It is expected that Admission will become effective and that dealings in the Company's shares on the main market will commence at 8.00 a.m. (London time) on 27 February 2023. The Company is not raising any funds in connection with Admission.

On Admission, the total issued share capital of the Company will comprise 3,002,005,861 ordinary shares of 1p each with voting rights. SolGold does not currently hold any shares in treasury and, therefore, the above figure may be used by shareholders as the denominator for the calculations by which they will determine if they are required to notify their interest in, or a change in their interest in, the share capital of the Company.

A copy of the Prospectus is being submitted to the National Storage Mechanism and will be available for inspection at <https://data.fca.org.uk/#/nsm/nationalstoragemechanism>.

## CAUTIONARY NOTICE

This announcement is an advertisement for the purposes of the Prospectus Regulation Rules of the Financial Conduct Authority (the "FCA") and not a prospectus and not an offer to sell, or a solicitation of an offer to subscribe for or to acquire, securities in any jurisdiction.

This announcement is for information purposes only and is not intended to and does not constitute, or form part of, any offer or invitation to purchase, subscribe for or otherwise acquire or dispose of, or any solicitation to purchase or subscribe for or otherwise acquire or dispose of, any securities in any jurisdiction. The information in this announcement does not purport to be full or complete and is subject to change without notice.

This announcement is not for release, publication or distribution, in whole or in part, directly or indirectly, in, into or from any jurisdiction where to do so would constitute a violation of the relevant securities laws of such jurisdiction. This announcement does not purport to give legal, tax or financial advice. Nothing contained herein shall form the basis of or be relied upon in connection with, or act as an inducement to enter into, any investment activity.

News releases, presentations and public commentary made by [SolGold plc](https://www.solgold.com.au) (the "Company") and its Officers may contain certain statements and expressions of belief, expectation or opinion which are forward looking statements, and which relate, inter alia, to interpretations of exploration results to date and the Company's proposed strategy, plans and objectives or to the expectations or intentions of the Company's Directors, including the plan for developing the Project currently being studied as well as the expectations of the Company as to the forward price of copper. Such forward-looking and interpretative statements involve known and unknown risks, uncertainties and other important factors beyond the control of the Company that could cause the actual performance or achievements of the Company to be materially different from such interpretations and forward-looking statements.

Accordingly, the reader should not rely on any interpretations or forward-looking statements; and save as required by the exchange rules of the TSX and LSE or by applicable laws, the Company does not accept any obligation to disseminate any updates or revisions to such interpretations or forward-looking statements. The Company may reinterpret results to date as the status of its assets and projects changes with time expenditure, metals prices and other affecting circumstances.

This release may contain "forward-looking information". Forward-looking information includes, but is not limited to, statements regarding the Company's plans for developing its properties. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved".

Forward-looking information is subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such forward-looking information, including but not limited to: transaction risks; general business, economic, competitive, political and social uncertainties; future prices of mineral prices; accidents, labour disputes and shortages and other risks of the mining industry. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Factors that could cause actual results to differ materially from such forward-looking information include, but are not limited to, risks relating to the ability of exploration activities (including assay results) to accurately predict mineralization; errors in management's geological modelling and/or mine development plan; capital and operating costs varying significantly from estimates; the preliminary nature of visual assessments; delays in obtaining or failures to obtain required governmental, environmental or other required approvals; uncertainties relating to the availability and costs of financing needed in the future;

changes in equity markets; inflation; the global economic climate; fluctuations in commodity prices; the ability of the Company to complete further exploration activities, including drilling; delays in the development of projects; environmental risks; community and non-governmental actions; other risks involved in the mineral exploration and development industry; the ability of the Company to retain its key management employees and skilled and experienced personnel; and those risks set out in the Company's public documents filed on SEDAR at [www.sedar.com](http://www.sedar.com). Accordingly, readers should not place undue reliance on forward-looking information. The Company does not undertake to update any forward-looking information, except in accordance with applicable securities laws.

The Company and its officers do not endorse, or reject or otherwise comment on the conclusions, interpretations or views expressed in press articles or third-party analysis.

Neither the content of the Company's website nor any website accessible by hyperlinks on the Company's website is incorporated in, or forms part of, this announcement.
