

# Whitehorse Gold Corp. Announces Name Change to Tincorp Metals Inc.

23.02.2023 | [Newsfile](#)

Vancouver, Feb. 22, 2023 - [Whitehorse Gold Corp.](#) (TSXV: WHG) (OTCQX: WHGDF) ("Whitehorse Gold" or the "Company") is pleased to announce that it has filed a Notice of Alteration to change its name from "[Whitehorse Gold Corp.](#)" to "Tincorp Metals Inc.", effective February 27, 2023. There is no change in the capitalization structure of the Company as a result of this change of name.

The decision to change the name reflects the Company's focus on its new Bolivian tin projects. The company holds a 100% interest in the SF Tin project and a 51% interest in the Porvenir Project. The company has the right to acquire the remaining 49% of the Porvenir project in August 2023.

"This name change signifies a pivotal shift for our company," said Gordon Neal, Whitehorse Gold CEO. "Our team has a history of success in Bolivia. That success has led us to the acquisition of two highly prospective tin projects. Tin is a critical element in global decarbonization, and Bolivia, in my opinion, is one of the best mining jurisdictions in the world."

Effective as of market open on Monday, February 27, 2023, the Company's common shares will commence trading on the TSX Venture Exchange under the new stock symbol "TIN".

Effective Date: February 27, 2023  
Trading Symbol: TIN  
New CUSIP: 88749D102  
New ISIN: CA88749D1024

In connection with the name change, the Company will adopt a new logo and has launched a new website which can be accessed at [www.tincorp.com](http://www.tincorp.com). The Company's office location and phone number remain the same.

## About Whitehorse Gold

Whitehorse Gold is a mineral exploration and development company focusing on tin projects in Bolivia and a gold project near Whitehorse, Yukon, Canada. The Company has recently signed agreements to acquire up to a 100% interest in the Porvenir Project and SF Tin Project, which are 70 km southeast of Oruro, Bolivia. The Company's 100% owned Skukum Gold Project is approximately 84 km south of Whitehorse by road. An independent mineral resource estimate update in respect of the Skukum Gold Project was completed in October 2022.

### **Cautionary Note Regarding Forward-Looking Statements**

*This news release contains forward-looking statements and forward-looking information (collective, "forward-looking statements") within the meaning of applicable Canadian and U.S. securities legislation. All statements, other than statements of historical fact included in this release, including, without limitation, statements regarding the terms of the Agreement, the payment of a finder's fee and the approval of the TSX Venture Exchange are forward-looking statements. Estimates of mineral reserves and mineral resources are also forward-looking information because they incorporate estimates of future developments including future mineral prices, costs and expenses and the amount of minerals that will be encountered if a property is developed. Forward-looking statements are often, but not always, identified by words or phrases such as "expects", "is expected", "anticipates", "believes", "plans", "projects", "estimates", "assumes", "intends", "strategies", "targets", "goals", "forecasts", "objectives", "budgets", "schedules", "potential" or variations thereof or stating that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved, or the negative of any of these terms and similar expressions. Forward-looking statements are based on the opinions, assumptions, factors and estimates of management considered reasonable at the date the statements are made. The opinions, assumptions, factors and estimates which may prove to be incorrect, include, but are not limited to: that the Company will be able to pay all amounts payable pursuant to the Agreement and in connection with the Transaction; the TSX Venture Exchange will grant approval of the Transaction; market fundamentals will result in sustained precious metals demand and prices; that there are no significant disruptions affecting operations, including labour disruptions, supply disruptions, power disruptions, security disruptions, damage to or loss of equipment, whether due to flooding, political changes, title issues, intervention by local landowners, environmental concerns, pandemics (including COVID-19) or otherwise; that the Company will be able to obtain and maintain governmental approvals, permits and licenses in connection with its current and planned operations, development and exploration activities, including at the Skukum Gold Project; that the Company will be able to meet its current and future obligations; that the Company will be able to comply with environmental, health and safety laws; and the assumptions underlying mineral resource estimates and the realization of such estimates.*

*Forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to differ materially from any future results, performance or achievements expressed or implied by the forward-looking information. Such risks and other factors include, among others: the risk that the Company will not be able to pay all amounts payable pursuant to the Agreement and in connection with the Transaction; the TSX Venture Exchange will not grant approval of the Transaction; social and economic impacts of COVID-19; actual exploration results; changes in project parameters as plans continue to be refined; results of future Mineral Resource estimates; future metal prices; availability of capital and financing on acceptable terms; general economic, market or business conditions; uninsured risks; regulatory changes; defects in title; availability of personnel, materials and equipment on a timely basis; accidents or equipment breakdowns; delays in receiving government approvals; unanticipated environmental impacts on operations and costs to remedy same; and other exploration or other risks detailed herein and from time to time in the filings made by the Company with securities regulators. Although the Company has attempted to identify important factors that could cause actual actions, events or results to differ from those described in forward-looking statements, there may be other factors that cause such actions, events or results to differ materially from those anticipated. There can be no assurance that forward-looking statements will prove to be accurate and accordingly readers are cautioned not to place undue reliance on forward-looking statements.*

*Readers are cautioned not to place undue reliance on forward-looking statements. The Company undertakes no obligation to update any of the forward-looking statements in this news release or incorporated by reference herein, except as otherwise required by law.*
