

Northcliff: Andrew Ing Joins Board Of Directors & Announces Attendance At Prospectors & Developers 2023 Conference

01.03.2023 | [CNW](#)

VANCOUVER, March 1, 2023 - [Northcliff Resources Ltd.](#) ("Northcliff" or the "Company") (TSX: NCF) advises that Andrew Ing (CEO) has joined the Board of Directors.

Northcliff is also pleased to announce its attendance at the Prospectors & Developers Association of Canada's 2023 Conference ("PDAC") held in Toronto, Ontario from March 5-8, 2023. Meet with us at booth 2850. Additionally, Andrew Ing, Northcliff's President and CEO, will be presenting at Canada's Atlantic Edge Event organized by the Atlantic Canada Mining Alliance at PDAC on March 7, 2023.

"We are excited to attend PDAC and present in person at Canada's Atlantic Edge Event. With tungsten and/or molybdenum listed as a critical metal in Canada, the United States and numerous other countries, Northcliff will be sharing its views on the potential role that the Sisson tungsten-molybdenum project ("Sisson Project") could take in the global supply chain for tungsten and molybdenum as well as describing the many uses for tungsten, including the potential for tungsten fast charging batteries, said Mr. Ing. "I also welcome this opportunity to meet with those in attendance to provide an update on the advancement of Sisson - a strategic critical minerals project in New Brunswick, Canada."

About Northcliff Resources Ltd.

Northcliff is a mineral resource company focused on advancing the feasibility-stage Sisson tungsten-molybdenum project located in New Brunswick, Canada, to production.

Andrew Ing
President, CEO & Director

Forward-Looking Information

This news release contains forward-looking information based on current expectations. Forward-looking information is provided for the purpose of presenting information about management's current expectations and plans relating to the future and readers are cautioned that such statements may not be appropriate for other purposes. Forward looking information may include, without limitation, the opinions or beliefs of management, prospects, opportunities, priorities, targets, goals, ongoing objectives, milestones, strategies, and outlook of Northcliff, and includes statements about, among other things, future developments, the future operations, strengths and strategy of Northcliff. Generally, forward looking information can be identified by the use of forward looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved". These statements should not be read as guarantees of future performance or results. These statements are based upon certain material factors, assumptions and analyses that were applied in drawing a conclusion or making a forecast or projection, including Northcliff's experience and perceptions of historical trends, the ability of Northcliff to maximize shareholder value, current conditions and expected future developments, as well as other factors that are believed to be reasonable in the circumstances.

Although such statements are based on management's reasonable assumptions at the date such statements are made, there can be no assurance that it will be completed on the terms described above and that such forward-looking information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such forward-looking information. Accordingly, readers should not place undue reliance on the forward-looking information. Northcliff assumes no responsibility to update or revise forward-looking information to reflect new events or circumstances unless required by applicable law.

For additional information regarding forward-looking statements and their related risks, please refer to the "Risk Factors" section in the Annual Information Form of the Company for the year ended on October 31, 2022, which is available on the Company's SEDAR profile at www.sedar.com.
