EnerCom Publishes Preliminary Presentation and Event Schedule on EnerCom Dallas Website at www.enercomdallas.com.

Investor registration is open for EnerCom Dallas + The Energy Venture Investment Summit conference featuring a broad group of public and private oil and gas companies and innovative start-up company presentations.

Limited Presentation Opportunities Still Available for E&P, Midstream, OFS Companies and promising start-up energy and technology companies focused on innovation in alternative energy, advanced oil and gas technology and environmental sustainability.

DENVER, March 8, 2023 - EnerCom, Inc. has published the preliminary presentation schedule and conference events for the EnerCom Dallas - The Energy Investment & ESG Conference + The Energy Venture Investment Summit, April 18-19, 2023 at Hotel Crescent Court, Uptown Dallas.

EnerCom Dallas is an energy-focused investment conference that provides institutional investors the opportunity to hear investor presentation from the top independent producers, midstream and oilfield service companies and meet their management teams to discuss their plans to drive development, fund operations and return value to shareholders in 2023.

"We are pleased to once again bring investment professionals together and provide a forum to hear leading independent energy companies discuss their 2023 outlooks and strategies," said Blanca Andrus, Chairwoman and CFO of EnerCom. "This year's lineup consists of a broad spectrum of oil and gas producers, service companies, energy transition leaders from public, private, U.S. and Internationally based companies. EnerCom remains at the forefront of the energy discussions with our clients and we look forward to further facilitating this dialogue at our Dallas conference."

Added to the EnerCom Dallas line up this year is The Energy Venture Investment Summit featuring quick-pitch investment sessions from promising start-up energy and technology companies focused on innovation and operations in alternative energy, advanced oil and gas technology and environmental sustainability.

For the investment community, the EnerCom Dallas conference provides in-person access to oil and gas company senior leadership. The two-day event allows investors to set one-on-one meetings with company management teams. Registration for all qualified investors is no cost and company meetings are limited to buyside principals, portfolio managers, CIOs and securities analysts.

All presentations at the event will be webcast live and recorded for replay on the EnerCom Dallas website and EnerCom's www.oilandgas360.com news platform as well as distributed in the daily Closing Bell email newsletter.

The Energy Venture Investment Summit at EnerCom Dallas is sponsored by SixLab by Studio X, an accelerator program committed to investing in early-stage startups dedicated to finding new ways to accelerate energy innovation; Haynes Boone, LLP, an energy focused corporate law firm and Colorado School of Mines, a leading public research university focused on science and engineering.

In 2022, The Energy Venture Investment Summit featured investment pitches on carbon capture and storage, hydrogen production and storage, solar technology, rare-earth minerals testing technology, and treatments to optimize oil and gas operations and resource production.

EnerCom has built a reputation over the past 27 years for hosting industry-leading investor events that constructively bring together capital markets and good investment ideas. In addition to EnerCom Dallas + The Energy Venture Investment Summit, EnerCom will be hosting the 28th annual EnerCom Denver energy investment conference on August 13-16, 2023.

Conference Dates: April 18th and 19th, 2023.

Venue: Hotel Crescent Court, 400 Crescent Court, Dallas, TX 75201, (214) 871.3200 (and webcast live on the conference website).

Who Attends the Conference: Institutional and hedge fund investors, private equity investors, energy research analysts, broker/dealers, trust officers, high net worth investors, commercial energy bankers and other energy industry professionals are encouraged to attend. Qualified investment professionals and oil and gas company executives may register for the event at no cost through the conference website. Other conference registration classifications are also available for a fee. In addition to in-person access to all company presentations, panel discussions, and keynote speakers, the conference registration includes the opportunity for investors and management teams to meet formally and informally over cocktails, breakfast and lunch.

Conference Format and Details: Modeled after the world-class EnerCom Denver event, the EnerCom Dallas conference follows EnerCom's familiar 25-minute presentation format, followed by 50-minute Q&A

opportunities in separate breakout rooms, one-on-one meetings and networking opportunities.

Companies presenting in The Energy Venture Investment Summit at EnerCom Dallas will give thirteen-minute presentations.
