Cautionary Note Regarding Forward-Looking Statements

This press release contains forward-looking statements with respect to the Company. By their nature, forward-looking statements are subject to a variety of factors that could cause actual results to differ materially from the results suggested by the forward-looking statements. In addition, the forward-looking statements require management to make assumptions and are subject to inherent risks and uncertainties, including, but not limited, the ability of the Company to obtain final Exchange approval for the Loans. There is significant risk that the forward-looking statements will not prove to be accurate, that the management's assumptions may not be correct and that actual results may differ materially from such forward-looking statements. Accordingly, readers should not place undue reliance on the forward-looking statements.

Generally forward-looking statements can be identified by the use of terminology such as "anticipate", "will", "expect", "may", "continue", "could", "estimate", "forecast", "plan", "potential" and similar expressions. Forward-looking statements contained in this press release may include, but are not limited to, the final approval of the Exchange to the Loans and the anticipated use of funds for the Loans. These forward-looking statements are based on a number of assumptions which may prove to be incorrect.

The forward-looking statements contained in this press release are made as of the date hereof or the dates specifically referenced in this press release, where applicable. Except as required by law, the Company does not undertake any obligation to update publicly or to revise any forward-looking statements that are contained or incorporated in this press release. All forward-looking statements contained in this press

release are expressly qualified by this cautionary statement.
