

# Cyprrium Metals Ltd: Quarterly Activities Report

30.04.2023 | [ABN Newswire](#)

Perth, Australia - [Cyprrium Metals Ltd.](#) (ASX:CYM) has a suite of high-quality copper projects with +1.6Mt of contained Copper in Mineral Resources.

- Cyprrium is undertaking a full strategic review of all assets
- Work underway on +20 year super pit mine life development at Nifty, based on the current MRE of 940,200 tonnes of contained Copper
- Cyprrium has entered into a Secured Loan Deed for AUD6 million
- Appointment of Mr John Featherby as Non-Executive Director

Cyprrium Managing Director Barry Cahill commented:

"Copper market fundamentals combined with Cyprrium's quality portfolio of more than 1.6Mt of contained copper at Nifty, Maroochydore and the Murchison, as well as the Paterson Exploration JV with IGO, presents a highly attractive portfolio. Nifty has a mineral resource of 940,000 tonnes contained copper plus there is a further 90,000 tonnes of contained copper in the existing heap leach pads. Work is continuing on a super pit mine study at Nifty, which will show a mine life of over 20 years and generating strong cash flows.

The restart project economics for the initial oxide portion of the open pit and retreat of the existing heap leach pads, remains robust. The project economics are further enhanced based on current copper prices of around AUD13,000 per tonne, which remains AUD1,000 per tonne higher than used in the Nifty Copper Project Restart Study.

The board is undertaking a strategic review and is committed to preserving the value of the Company's assets as a priority during this strategic review period.

We were pleased to announce the appointment of John Featherby to the Cyprrium Board in April. His experience and knowledge will be of great benefit to Cyprrium as we move to the next stage of the company strategy.

We also thank Nick Rowley for his efforts and contribution to the growth of Cyprrium since its inception in 2019 to its current three copper projects. We wish him well with his future endeavors."
