All other terms and conditions of the Warrants will remain the same. In accordance with TSXV policies, warrants issued as compensation to brokers and finders will not be extended. The proposed amendments are subject to TSXV approval.

About Southern Silver Exploration Corp.

[Southern Silver Exploration Corp.](#) is an exploration and development company with a focus on the identification of world-class mineral deposits in major jurisdictions, advancing them either directly or through joint-venture relationships. Our specific emphasis is on advancing the 100% owned Cerro Las Minitas project, one of the world's largest undeveloped silver-lead-zinc deposits, to a production decision.

Southern Silver has assembled a team of highly experienced technical, operational and transactional professionals to support our efforts in developing (recent robust PEA and updated Mineral Resource) the Cerro Las Minitas project into a premier, high-grade, silver-lead-zinc mine. Our property portfolio also includes the Oro porphyry copper-gold project where a diamond drill program is underway and the Hermanas gold-silver vein project where permitting applications for the conduct of a drill program is underway; both are located in southern New Mexico, USA.
