

Ximen Mining to Start Trading on the Gettex Exchange in Germany

03.05.2023 | [ACCESS Newswire](#)

VANCOUVER, May 3, 2023 - [Ximen Mining Corp.](#) (TSXV:XIM)(FRA:1XMA)(OTCQB:XXMMF) (the "Company" or "Ximen") is pleased to announce that in addition to trading on the TSX Venture Exchange, the OTCQB in the USA, several regional exchanges in Europe as well as the Frankfurt Exchange in Germany, the Company will now start trading on the Gettex Exchange a competing exchange in Germany under the symbol X1MA effective May 4th 2023.

"Over the past few weeks, Ximen has received final permits from both the Ministry of Environment and Climate Change Strategy and the Ministry of Energy, Mines and Low-Carbon Innovation. These permits will allow the Company to advance the Kenville Gold Mine, which has been several years in the making. We are excited to share our progress and story as we move forward with our plans. As part of our strategy, we aim to expand our presence and share our developments with new audiences. We are pleased to announce that the Gettex Exchange has agreed to list our Company, allowing us to trade on their exchange. This move is a part of our overall information strategy, as we aim to build a presence in Europe," says Christopher Anderson, CEO of Ximen Mining.

The Company is also pleased to announce that it has arranged a non-brokered private placement of 6 million units at a price of \$0.10 per unit for gross proceeds of \$600,000. Each Unit consists of one common share and one transferable common share purchase warrant. Each whole warrant will entitle the holder to purchase, for a period of 60 months from the date of issue, one additional common share of the Issuer at an exercise price of \$0.15 per share.

A finder's fee may be paid to eligible finders in accordance with the TSX Venture Exchange policies. All securities issued pursuant to the offering will be subject to a hold period of four months and one day from the date of closing. The offering and payment of finders' fees are both subject to approval by the TSX-V. There is no material fact or material change of the Company that has not been generally disclosed.

The Company anticipates closing on/or about May 8, 2023.

The net proceeds from the Offering will be used by the Company for exploration expenses on the Company's British Columbia mineral properties and general working capital.

On behalf of the Board of Directors,

"Christopher R. Anderson"

This press release includes certain statements that may be deemed "forward-looking statements" within the meaning of Canadian securities legislation. All statements in this release, other than statements of historical facts, that address future exploration drilling, exploration activities and events or developments that the Company expects, are forward looking statements. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results or developments may differ materially from those in forward-looking statements. Factors that could cause actual results to differ materially from those in forward-looking statements include exploitation and exploration successes, continued availability of financing, and general economic, market or business conditions. The reader is urged to refer to the Company's reports, publicly available through the Canadian Securities Administrators' System for Electronic Document Analysis and Retrieval (SEDAR) at www.sedar.com for a more complete discussion of such risk factors and their potential effects.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of securities in any state in the United States in which such offer, solicitation or sale would be unlawful.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release
