

Athabasca Oil Provides Alberta Wildfire Update

16.05.2023 | [GlobeNewswire](#)

CALGARY, May 16, 2023 - [Athabasca Oil Corp.](#) (TSX: ATH) ("Athabasca" or the "Company") advises that due to the ongoing Alberta wildfires, the Company has shut-in two of its facilities at Kaybob within its Light Oil operations. The facilities have been shut-in as a precautionary measure due to changing wildfire conditions and the Company is not aware of damage to its well sites or associated infrastructure. The Company estimates ~2,300 boe/d of temporary production downtime. The situation is dynamic and production will be restored when the area is safe and the Company is permitted to do so.

Athabasca would like to extend its sincere gratitude to its field staff, industry partners, emergency responders, and firefighters for their dedication and hard work in safeguarding our communities during this challenging time.
