

Athabasca Minerals Provides Update on Quarter One 2023 Filings and Cease Trade Order

29.05.2023 | [Newsfile](#)

Calgary, May 29, 2023 - [Athabasca Minerals Inc.](#) (TSXV: AMI) ("AMI" or the "Corporation") announces that it will not be filing its quarterly financial statements, accompanying management's discussion and analysis and related chief executive officer and chief financial officer certifications for the quarter ended March 31, 2023 (collectively, the "Q1 Statements"), within the period prescribed for the filing of such documents under Parts 4, 5 and 6 of National Instrument 51-102 Continuous Disclosure Obligations and pursuant to National Instrument 52-109 Certification of Disclosure in Issuers' Annual and Interim Filings, that being May 30, 2023 (the "Filing Deadline").

Due to the complexity of the Corporation's 2022 Year End audit, and the subsequent delay in filing those statements, AMI will not be able to finalize the Q1 Statements by the Filing Deadline. While the Corporation acknowledges the importance of timely financial reporting, it remains committed to upholding the highest standards of transparency and compliance. Additionally, the Alberta Securities Commission (the "ASC") has made the decision to maintain the cease trade order ("CTO") until the Q1 Statements have been filed. AMI is fully cooperating with the ASC to fulfill its requirements and resolve the matter promptly and expects to file its Q1 Statements by or before June 9, 2023.

FORWARD-LOOKING STATEMENTS

This news release contains "forward-looking statements" and "forward-looking information" (collectively referred to herein as "forward-looking statements") within the meaning of applicable securities legislation. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "continues", "projects", "potential", "budget" and similar expressions, or are events or conditions that "will", "would", "may", "could" or "should" occur or be achieved. This news release contains forward-looking statements pertaining to the timing of AMI's Annual Filings.

Although AMI believes that the material factors, expectations, and assumptions expressed in such forward-looking statements are reasonable based on information available to it on the date such statements are made, undue reliance should not be placed on the forward-looking statements because AMI can give no

assurances that such statements and information will prove to be correct and such statements are not guarantees of future performance. Since forward-looking statements address future events and conditions, by their very nature they involve inherent risks and uncertainties.

Actual performance and results could differ materially from those currently anticipated due to a number of factors and risks. These include, but are not limited to known and unknown risks, including those set forth in AMI's Annual Information Form (a copy of which can be found under Athabasca Mineral's profile on SEDAR at www.sedar.com) and in AMI's most recent Management's Discussion and Analysis. Accordingly, readers should not place undue importance or reliance on the forward-looking statements. Readers are cautioned that the list of factors is not exhaustive.

Statements, including forward-looking statements, contained in this news release are made as of the date they are given and AMI disclaims any intention or obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, unless so required by applicable securities laws. The forward-looking statements contained in this news release are expressly qualified by this cautionary statement.

Additional information on these and other factors that could affect AMI's operations and financial results are included in reports on file with applicable securities regulatory authorities and may be accessed under Athabasca Mineral's profile on SEDAR at www.sedar.com.
