

Voyager Metal Inc. and Cerrado Gold Inc. Announce Completion of Business Combination Transaction

31.05.2023 | [ACCESS Newswire](#)

[Voyager Metals Inc.](#) ("Voyager") (TSXV:VONE) and [Cerrado Gold Inc.](#) ("Cerrado") (TSXV:CERT) (OTCQX:CRDOF) are pleased to announce the successful completion of the previously announced statutory plan of arrangement (the "Arrangement") under the Business Corporations Act (Ontario) pursuant to which Cerrado acquired all of the issued and outstanding common shares of Voyager (the "Voyager Shares") that it did not already own. The Arrangement was carried out pursuant to the terms of the arrangement agreement between Voyager and Cerrado dated March 7, 2023 (the "Arrangement Agreement") and became effective today, resulting in Voyager becoming a wholly-owned subsidiary of Cerrado. The Arrangement had received the requisite approval of Voyager shareholders and optionholders at a special meeting held on May 24, 2023. The Ontario Superior Court of Justice (Commercial List) issued a final order approving the Arrangement on May 26, 2023.

Pursuant to the Arrangement, each former shareholder of Voyager, other than Cerrado, is entitled to receive 1/6 of one (1) Cerrado share for each outstanding Voyager share (the "Consideration"). Further in connection with the Arrangement, holders of the Voyager options received options of Cerrado adjusted in accordance with the Exchange Ratio and subject to the terms of the Arrangement Agreement (the "Cerrado Replacement Options"), resulting in the grant of 1,266,649 Cerrado Replacement Options. The Cerrado Replacement Options are not exercisable by the holders thereof until shareholder and relevant TSX Venture Exchange approvals have been obtained in respect of such options and an amended Cerrado omnibus plan with higher limits is in place to accommodate the exercise of such options. Such approval is being sought at the annual and special meeting of Cerrado shareholders expected to be held on July 19, 2023. In addition, all outstanding common share purchase warrants of Voyager ("Voyager Warrants") have been adjusted, in accordance with their terms, and following the Arrangement, are exercisable for up to 1,779,755 Cerrado shares based on the Exchange Ratio.

In order to receive the Consideration in exchange for their Voyager shares, registered Voyager shareholders are reminded that they must complete, execute and submit the letter of transmittal (a copy of which was included in the meeting materials previously mailed to Voyager shareholders) to TSX Trust Company, in its capacity as depositary under the Arrangement, together with their certificate(s) or DRS advice(s) representing their Voyager shares, in accordance with the tender procedures described in the Circular (as defined below) and the letter of transmittal. Registered shareholders are encouraged to tender their Voyager shares as soon as possible in exchange for the Consideration. For any questions about completing the letter of transmittal in connection with the Arrangement, please contact TSX Trust Company at 416-342-1091 or by email at tsxtis@tmx.com. Beneficial shareholders should contact their intermediary and arrange for the intermediary to complete the necessary steps to ensure they receive the Consideration for their Voyager shares as soon as possible following the completion of the Arrangement.

Following completion of the Arrangement, the Voyager Shares are expected to be de-listed from the TSX Venture Exchange as soon as reasonably practicable, and in any event on or about June 5, 2023. In connection therewith, Voyager intends to submit an application to the applicable securities regulators to cease to be a reporting issuer and to terminate its public reporting obligations.

Further details regarding the Arrangement are set out in Voyager's information circular dated April 19, 2023, which is available on SEDAR (www.sedar.com) under Voyager's issuer profile.
