

Oberon Uranium Corp. Welcomes Alex Klenman to the Board of Directors

01.06.2023 | [The Newswire](#)

Vancouver, June 1, 2023 - [Oberon Uranium Corp.](#) ("Oberon" or the "Company") (CSE:OBRN) is pleased to welcome Alex Klenman to the Board of Directors. Mr. Klenman is an experienced junior mining executive whose career spans over 30 years in the private and public sectors, with an emphasis on business development, finance, marketing, media, and corporate communications. Over the past decade he has held and continues to hold leadership roles with numerous publicly traded resource companies, including senior officer and/or director positions with Azincourt Energy, Tisdale Clean Energy, Leocor Gold, and others. During his career as a consultant, he worked closely with companies such as Roxgold Inc, Forum Uranium, Integra Gold, Midnight Sun Mining, among others. Mr. Klenman began his professional career in broadcasting, which included board positions with CKVU Television and Canwest Pacific Television in Vancouver.

Lawrence Hay, President and CEO of [Oberon Uranium Corp.](#), states "We are very excited to welcome Alex to the board of directors. With his vast knowledge and experience in uranium and the public markets in general, he will no doubt prove to be a very valuable addition to our board."

Forward-Looking Information

Certain statements in this news release are forward-looking statements, including with respect to future plans, and other matters. Forward-looking statements consist of statements that are not purely historical, including any statements regarding beliefs, plans, expectations or intentions regarding the future. Such information can generally be identified by the use of forwarding-looking wording such as "may", "expect", "estimate", "anticipate", "intend", "believe" and "continue" or the negative thereof or similar variations. The reader is cautioned that assumptions used in the preparation of any forward-looking information may prove to be incorrect. Events or circumstances may cause actual results to differ materially from those predicted, as a result of numerous known and unknown risks, uncertainties, and other factors, many of which are beyond the control of the Company, including but not limited to, business, economic and capital market conditions, the ability to manage operating expenses, and dependence on key personnel. Such statements and information are based on numerous assumptions regarding present and future business strategies and the environment in which the Company will operate in the future, anticipated costs, and the ability to achieve

goals. Factors that could cause the actual results to differ materially from those in forward-looking statements include, the continued availability of capital and financing, litigation, failure of counterparties to perform their contractual obligations, loss of key employees and consultants, and general economic, market or business conditions. Forward-looking statements contained in this news release are expressly qualified by this cautionary statement. The reader is cautioned not to place undue reliance on any forward-looking information.

The forward-looking statements contained in this news release are made as of the date of this news release. Except as required by law, the Company disclaims any intention and assumes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

The CSE has not reviewed, approved or disapproved the contents of this news release.
