About Beauce Gold Fields

Beauce Gold Fields is exploring and developing the largest placer gold district in eastern North America. The Company is also one of the largest phosphate property owners in Quebec.

THE Mining Investment Event of the North is Canada's only tier 1 Global Mining Investment Conference and hosted annually in Quebec City, Canada. THE Event is invitation only and is independently sponsored by the Government of Quebec, and financial and mining communities at large. THE Event is designed to specifically facilitate privately arranged meetings between mining companies, international investors, and various mining government authorities. THE Event is committed to promoting sustainability in the mining industry through education and innovation through unique Student Sponsorships, She-Co Initiatives, highlighting ESG and equality issues and by providing a platform for some of most influential thought leaders in the sector. The agenda, brochure, participating companies, speakers & panelists, initiatives and registration applications for issuers and investors may be found here:
