

European Energy Metals Obtains DTCC Eligibility

27.06.2023 | [Newsfile](#)

Vancouver, June 27, 2023 - [European Energy Metals Corp.](#) (TSXV: FIN) (FSE: W28) (OTC Pink: EUEMF) ("European Energy Metals" or the "Company") is pleased to announce its common shares are now eligible for electronic clearing and settlement through the Depository Trust Company (DTC). DTC is a subsidiary of the Depository Trust & Clearing Corp. (DTCC) that manages the electronic clearing and settlement of publicly traded companies in the United States.

European Energy Metal's common shares are now fully DTC eligible and will continue to trade under the ticker symbol EUEMF on the OTC Markets. Through an electronic method of clearing securities, DTC eligibility simplifies the process of trading and transferring the company's common shares between brokerages in the United States. The company is also in the process of seeking its OTCQX listing with OTC Markets.

"This is an important step in making European Energy Metal's shares accessible to the widest audience possible," commented CEO, Jeremy Poirier. "We continue to move toward a listing upgrade to OTCQB® to increase liquidity for all shareholders, in addition to improving visibility and investor awareness," he continued.

About The OTC Markets Group Inc.

OTC Markets Group Inc. operates the OTCQB® Venture Market, the OTCQX® Best Market and the Pink® Open Market for 10,000 U.S. and global securities. Through OTC Link® ATS, OTC Markets Group connects a diverse network of broker-dealers that provide liquidity and execution services. OTC Markets Group enables investors to easily trade through the broker of their choice and empower companies to improve the quality of information available for investors.

About European [Energy Metals Corp.](#)

European Energy Metals. is a junior mining company currently focussed on the Lithium-Cesium-Tantalum Finnish Pegmatite Project in central Finland. Governing bodies in Europe and Finland are legislating environmentally friendly and energy independent laws and policies. One of the key components is access to REE and specifically Lithium. The company is also focusing on its Champ Copper project located in Southeast British Columbia.

Cautionary Statements Regarding Forward-Looking Information

This news release contains forward-looking information within the meaning of applicable securities legislation. Forward-looking information is typically identified by words such as: believe, expect, anticipate, intend, estimate, postulate and similar expressions, or are those, which, by their nature, refer to future

events. Such statements include, without limitation, statements regarding the future results of operations, performance and achievements of the Company, including the future planned exploration programs for, and the exploration potential of, the Finland Pegmatite Project. Although the Company believes that such statements are reasonable, it can give no assurances that such expectations will prove to be correct. All such forward-looking information is based on certain assumptions and analyses made by the Company in light of their experience and perception of historical trends, current conditions and expected future developments, as well as other factors management believes are appropriate in the circumstances. This information, however, is subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those projected in the forward-looking information. Important factors that could cause actual results to differ from this forward-looking information include the costs of any anticipated work programs and the ability to fund such costs, required approvals in connection with any work programs and the ability to obtain such approvals, risks inherent in exploration as well as those described under the heading "Risks and Uncertainties" in the Company's most recently filed MD&A. The Company does not intend, and expressly disclaims any obligation to, update or revise the forward-looking information contained in this news release, except as required by law. Readers are cautioned not to place undue reliance on forward-looking information.
