

Orbit Garant Drilling Inc. Provides Update On Its Drilling Operations In Québec

26.07.2023 | [CNW](#)

VAL-D'OR, July 26, 2023 - [Orbit Garant Drilling Inc.](#) (TSX: OGD) ("Orbit Garant" or the "Company") today announced that it has now restarted operations on all its surface and underground drilling projects in Québec that had been previously suspended due to the impact of wildfires in the province.

"As expected, following the suspension of our drilling operations in Québec throughout much of June, we started ramping up these drilling projects in early July and we have now fully resumed our operations," said Pierre Alexandre, President and Chief Executive Officer of Orbit Garant. "There are currently no wildfires in the areas where our projects are located, and we look forward to resuming a productive summer drilling season."

About Orbit Garant

Headquartered in Val-d'Or, Quebec, Orbit Garant is one of the largest Canadian-based mineral drilling companies, providing both underground and surface drilling services in Canada and internationally through its 212 drill rigs and approximately 1,300 employees. Orbit Garant provides services to major, intermediate and junior mining companies, through each stage of mining exploration, development and production. The Company also provides geotechnical drilling services to mining or mineral exploration companies, engineering and environmental consultant firms, and government agencies. For more information, please visit the Company's website at www.orbitgarant.com.

Forward-looking information

This news release may contain forward-looking statements (within the meaning of applicable securities laws) relating to business of [Orbit Garant Drilling Inc.](#) (the "Company") and the environment in which it operates. Forward-looking statements are identified by words such as "believe", "anticipate", "expect", "intend", "plan", "will", "may" and other similar expressions. These statements are based on the Company's expectations, estimates, forecasts and projections. They are not guarantees of future performance and involve risks and uncertainties that are difficult to control or predict. Risks and uncertainties that could cause actual results, performance or achievements to differ materially include the world economic climate as it relates to the mining industry; the Canadian economic environment; the Company's ability to attract and retain customers and to manage its assets and operating costs; the political situation in certain jurisdictions in which the Company operates and the operating environment in the jurisdictions in which the Company operates as well as the risks and uncertainties are discussed in the Company's regulatory filings available at www.sedar.com. There can be no assurance that forward-looking statements will prove to be accurate as actual outcomes and results may differ materially from those expressed in these forward-looking statements. Readers, therefore, should not place undue reliance on any such forward-looking statements. Further, a forward-looking statement speaks only as of the date on which such statement is made. The Company undertakes no obligation to publicly update any such statement or to reflect new information or the occurrence of future events or circumstances except as required by applicable securities laws.
