

Northern Superior: Michael Gentile Shares Insights with Peter Grandich

14.08.2023 | [Newsfile](#)

Freehold, August 14, 2023 - Peter Grandich, financial author, is pleased to share a recent interview centered around [Northern Superior Resources Inc.](#) (TSXV: SUP) (OTCQB: NSUPF). In this conversation, Mr. Michael Gentile, director and largest shareholder, delves into the company's strategy and the recent resource estimate published on the Philibert project, in Quebec, Canada.

Northern Superior recently announced a compelling resource estimate on Philibert, one of its key projects, and continues to transform the Chibougamau Gold Camp in Quebec. The company also recently announced the spin-off of its Ontario assets, including the well-known TPK project, into an independent public company where it will remain the largest shareholder.

Peter Grandich commented: "Michael truly distinguishes himself as one of the sector's most astute investors, with a track record of securing a series of highly impressive investments. Rarely have I observed Michael exhibiting a level of focus on a particular opportunity, such as his current engagement with Northern Superior."

The interview refers to an article, which can be found here:

About Michael Gentile

Mr. Gentile is considered one of the leading strategic investors in the junior mining sector, owning significant positions in over 20 small-cap mining companies. Mr. Gentile is currently a strategic advisor to Arianne Phosphate (DAN-V), Geomega Resources (GMA-V) and a director of Northern Superior Resources (SUP-V), Roscan Gold (ROS-V), Radisson Mining Resources (RDS-V) and Solstice Gold (SGC-V). Mr. Gentile recently co-founded Bastion Asset Management, an investment management firm based out of Montreal, Quebec and was previously a Vice President and Senior Portfolio Manager with Formula Growth Limited.

About Peter Grandich

Peter Grandich entered Wall Street in the mid-1980s with neither formal education nor training, and within

three years was appointed Head of Investment Strategy for a leading New York Stock Exchange-member firm. He would go on to hold positions as Chief Market Strategist, Portfolio Manager for four hedge funds and a mutual fund that bore his name. His abilities have resulted in hundreds of media interviews, including Good Morning America, Fox News, CNBC, Wall Street Journal, Barron's, Financial Post, Globe and Mail, US News & World Report, New York Times, Business Week, MarketWatch, Business News Network and dozens more. He has spoken at investment conferences around the globe, edited numerous investment newsletters and was one of the more sought-after financial commentators.

Grandich has been a member of the National Association of Christian Financial Consultants, The New York Society of Security Analysts, The Society of Quantitative Analysts and The Markets Technician Association. He served on the Boards of Athletes in Action, the Fellowship of Christian Athletes, Good News International Ministries and Catholic Athletes for Christ. Through Athletes in Action, Grandich assisted with Bible study and chapel services for the New York Giants and New York Yankees from 2002 to 2016.

His autobiography, Confessions of a Wall Street Whiz Kid, was first published in the fall of 2011. The second edition was released in 2014, while the third edition, Confessions of a Former Wall Street Whiz Kid, was issued in October 2015. The fourth edition of the book was later released in April 2019, and the fifth edition was issued in May 2021. The fifth edition of the book is currently available on Amazon.com.

Grandich was the editor and publisher of The Grandich Letter from 1984 to 2014. He was also Senior Commentator for Moneytalks.net from 2013 to 2015. In 2013, Grandich founded the Athletes & Business Alliance (ABA), a private organization of professional athletes and business executives who exchange ideas and build relationships with an emphasis on capitalizing on the talents of all involved. A symbiotic organization, ABA is a network of accomplished individuals in an environment where one can develop personal associations with a structured and supportive system of giving and receiving business. The ABA boasts a select membership of diverse senior-level executives, high net worth business owners, and both active and retired pro athletes. By invitation only, high-level corporate and business decision-makers and prominent athletes intermingle. To achieve success, businesses must utilize effective marketing tools, secure new customers to generate repeat business and provide superior customer service that engenders loyalty. The ABA provides an environment to do this and more.

Disclaimers and Cautionary Note Regarding Forward-Looking Information

This interview or any comments made within or elsewhere by the interviewer, Peter Grandich, an interviewee, or an affiliate shall not be considered investment advice; anyone interested is invited to consult with a certified financial advisor. [Northern Superior Resources Inc.](#) (or the "Company") is a sponsor of Peter Grandich's blog which is operated from the United-States under the direction of Mr. Peter Grandich. The article provided herein has originated from a relationship of Outside the Box Capital Inc., which has been retained by the Company for marketing services as per the Company's press release dated March 8, 2023.

The interview contains forward-looking information and statements (collectively, "Forward-Looking Statements") that involve risks and uncertainties, which may cause actual results to differ materially from the statements made herein. When used in this document, the words "may", "would", "could", "will", "intend", "plan", "anticipate", "believe", "estimate", "expect" and similar expressions are intended to identify Forward-Looking Statements. Such statements include, but are not limited to, statements regarding the Company's ability to convert inferred resources into measured and indicated resources; parameters and methods used to estimate the mineral resource estimate (the "MRE") at the Philibert Project; the prospects, if any, of the Philibert Project and its other projects in the area; and the significance of historic exploration activities and results. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements. Important factors that could cause actual results to differ materially from the Company's expectations include the results of exploration activities, the Company's financial position and general economic conditions, the ability of exploration activities to accurately predict mineralization; the accuracy of geological modelling; the ability of the Company to complete further exploration activities; the legitimacy of title and property interests in the Philibert Project and its other projects in the area; the accuracy of key assumptions, parameters or methods used to estimate the MRE; the ability of the Company to obtain required approvals; the evolution of the global economic climate; metal prices; environmental expectations; community and non-governmental actions; the Company's ability to secure required funding; and other risks detailed from time to time in the filings made by the Company with securities regulators available at www.sedarplus.ca.

The Forward-Looking Statements contained in this interview are expressly qualified in their entirety by this

cautionary statement. All Forward-Looking Statements are made as of the date of this news release and neither Peter Grandich nor the Company undertake to update or revise any such statements contained in the interview to reflect new events or circumstances, except as may be required by applicable securities laws.
