

International Metals Mining Corp. Appoints Kelsey Chin As Corporate Secretary

15.08.2023 | [The Newswire](#)

Vancouver, August 15, 2023 - [International Metals Mining Corp.](#) (the "Company or International Metals") (TSXV:IMM) (OTC:CYNXF) (FSE:C2YD) is pleased to announce that it has appointed Kelsey Chin as Corporate Secretary of the Company.

Kelsey is a Chartered Professional Accountant with over 18 years' experience serving as both CFO and Corporate Secretary of numerous publicly listed companies primarily in the mining, technology, and medical investment sectors. Throughout her extensive experience, Kelsey has been responsible for all aspects of financial reporting, corporate governance, mergers and acquisitions, and financings.

About International Metals Mining Corp.

[International Metals Mining Corp.](#) is a Canadian company engaged in the acquisition, exploration, and development of mineral properties focusing on battery metals and mineral assets. The Company has acquired assets in some of the world's most prolific mining jurisdictions with a copper-gold porphyry property in Peru and now with a very prospective lithium property in Brazil's growing lithium provinces.

Statement regarding forward-looking information

This release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, that address events or developments that the Company expects to occur, are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur and include statements relating to: the Acquisition, including, approval of the TSXV and ultimately earning of the 60% interest in the Property upon payment of the consideration above, and timing thereof; and the Company's intended exploration plans, including conducting a satellite imagery-based spectral analysis and initial groundwork upon completion thereof. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward-looking statements include market prices, exploitation and exploration successes on the Company's properties, and continued availability of capital and financing, and general economic, market or business conditions, laws in the jurisdictions where the Company operates. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward-looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made. Except as required by applicable securities laws, the

Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.

Neither TSX Venture Exchange nor its Regulations Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
