

PPX Mining Successfully Concludes Community Meeting at the Igor Project

11.09.2023 | [ACCESS Newswire](#)

TORONTO, September 11, 2023 - [PPX Mining Corp.](#) (the "Company" or "PPX") is pleased to announce that on August 18, 2023 the Company, through one of its Peruvian subsidiaries, concluded a community meeting and workshop to update its environmental impact study (for small producers) with the objective of completing the requirements to amend its existing beneficiation plant permit to one in line with the new plant configuration that the Company is planning to build.

The event was led by the Energy, Mines and Hydrocarbons Ministry Team of the Regional Government of La Libertad (Peru), as well as district authorities of Huaranchal and Igor communities. Local leaders and general public were also present at the event. The workshop was hosted at the Igor Community Center, recently built by the Company. At the meeting, the new processing plant project was explained, concluding with community approval and formalized through participation workshop minutes subscribed by all stakeholders. The event sets precedent of the Company's permanent commitment to the environment and social responsibilities; it is also a necessary step to complete the filing application of the beneficiation plant permit amendment.

John Thomas, CEO commented "we are very satisfied of the excellent community support for our CIL and Flotation plant project. It encourages us to continue working towards this corporate objective that, in addition to the benefits for the Company, it will continue bringing prosperity to local communities that surround our mine."

About PPX Mining Corp:

[PPX Mining Corp.](#) (TSX.V:PPX.V)(BVL:PPX) is a Canadian-based mining company with assets in northern Peru. Igor, the Company's 100%-owned flagship gold and silver project, is located in the prolific Northern Peru gold belt in eastern La Libertad Department.

Cautionary Statement:

This press release contains forward-looking information and forward-looking statements (collectively, "forward-looking statements") as such terms are defined by applicable securities laws, including, but not limited to statements regarding test results, future plans or management estimates. Forward-looking statements are statements that relate to future events. In this context, forward-looking statements often address expected future business plans and financial performance and often contain words such as "anticipate," "believe," "plan," "estimate," "expect," and "intend," statements that an action or event "may," "might," "could," "should," or "will" be taken or occur, or other similar expressions. Forward-looking statements are subject to a number of known and unknown risks and uncertainties, many of which involve factors or circumstances that are beyond the Company's control, and the Company's actual results could

differ materially from those stated or implied in forward-looking statements due to many various factors. Such uncertainties and risks include, among others, delays in obtaining or inability to obtain any required regulatory approvals, if applicable. Although the Company believes that the expectations reflected in the forward-looking statements are reasonable, the Company cannot guarantee that the events and circumstances reflected in the forward-looking statements will be achieved or occur. The timing of events and circumstances and actual results could differ materially from those projected in the forward-looking statements. Accordingly, one should not place undue reliance on forward- looking statements. All forward-looking statements contained in this press release are made as of today's date, and the Company undertakes no obligation to update or publicly revise any forward-looking statements, whether as a result of new information, future events or otherwise, unless required by law.
