About Lodestar Battery Metals Corp.

[Lodestar Battery Metals Corp.](#) is a Canadian mining exploration company focused on the battery metals space. The Company's 100% owned flagship Peny Property comprises of 47 mineral claims totalling 11,191 hectares in the Snow Lake District, Manitoba, with access to tier-1 existing infrastructure: railway, roads, airstrip, and power. The Company also owns 100% interest in two significant silver assets in Mexico. The Company intends to build a strong portfolio of battery metals projects to drive future growth through exploration success and from later-stage projects with production potential. The Lodestar business plan calls for a dynamic combination of developing its existing properties, acquisitions, and partnerships to achieve this growth.
