Vancouver, September 22, 2023 - [Casa Minerals Inc.](#) (TSXV: CASA) (OTC Pink: CASXF) (FSE: OCM) (the "Company" or "Casa"), is pleased to announce its intentions to update an aggregate of 1,014,200 common share purchase warrants ("Warrants") issued to its July 8, 2021 private placement. The Company's intentions are to extend the expiry date from October 06, 2023 for 1,014,200 warrants to a new expiry date of February 20, 2024 for all the warrants.

The Warrants were granted a previous repricing by the TSX.V on July 28, 2023 and have an exercise price of \$0.10. Management believes that extending the expiry date should encourage their exercise to help finance work programs planned for this field season at the Company's projects.

The Warrants will continue to be subject to an acceleration clause.

The amendment of the Warrants is subject to approval of the TSX Venture Exchange.

In addition, the Company wishes to announce that it has terminated the marketing agreement with Outside The Box Capital, effective immediately.
