

Argentina Lithium Engages Market One Media Group for Marketing Contract

30.10.2023 | [CNW](#)

VANCOUVER, Oct. 30, 2023 - [Argentina Lithium & Energy Corp.](#) (TSXV: LIT) (FSE: OAY3) (OTC: PNXLF), ("Argentina Lithium" or the "Company") is pleased to announce that it has entered into a media services agreement (the "Agreement") with Market One Media Group ("Market One"). Market One, with offices in Vancouver and Toronto, is a multi-platform media solution for the capital markets operating in editorial, video and digital media. The media message is distributed via broadcast, digital, and social media channels including media platforms such as BNN Bloomberg.

Market One's engagement is for a term of six months. Market One will provide services including investor lead generation buildout, a social media campaign, banner ads and articles. The company will pay Market One a fee of \$160,000 plus GST for the services provided. The Market One agreement is subject to TSX Venture Exchange approval.

There are no performance factors contained in the Agreement and Market One will not receive common shares or options as compensation. Further, Market One and the Company are unrelated and unaffiliated entities and, at the time of the Agreement, neither Market One nor any of its principals have an interest, directly or indirectly, in the securities of the Corporation.

About Argentina Lithium

[Argentina Lithium & Energy Corp.](#) is focused on acquiring high quality lithium projects in Argentina and advancing them towards production in order to meet the growing global demand from the battery sector. The Company's recent strategic investment by Peugeot Citroen Argentina S.A., a subsidiary of Stellantis N.V., one of the world's leading automakers, places Argentina Lithium in a unique position to explore, develop and advance its four key projects. Management has a long history of success in the resource sector of Argentina and has assembled some of the most prospective lithium properties in the world renowned "Lithium Triangle". The Company is a member of the Grosso Group, a resource management group that has pioneered exploration in Argentina since 1993.

This news release may contain forward-looking statements. Forward-looking statements address future events and conditions and therefore involve inherent risks and uncertainties. All statements, other than statements of historical fact, that address activities, events or developments the Company believes, expects or anticipates will or may occur in the future, including, without limitation, statements about the Company's plans for its mineral properties; the Company's business strategy, plans and outlooks; the future financial or operating performance of the Company; and future exploration and operating plans are forward-looking statements.

Forward-looking statements are subject to a number of risks and uncertainties that may cause the actual results of the Company to differ materially from those discussed in the forward-looking statements and, even if such actual results are realized or substantially realized, there can be no assurance that they will have the expected consequences to, or effects on, the Company. Factors that could cause actual results or events to differ materially from current expectations include, among other things: the impact of COVID-19; risks and

uncertainties related to the ability to obtain, amend, or maintain licenses, permits, or surface rights; risks associated with technical difficulties in connection with mining activities; and the possibility that future exploration, development or mining results will not be consistent with the Company's expectations. Actual results may differ materially from those currently anticipated in such statements. Readers are encouraged to refer to the Company's public disclosure documents for a more detailed discussion of factors that may impact expected future results. The Company undertakes no obligation to publicly update or revise any forward-looking statements, unless required pursuant to applicable laws. We advise U.S. investors that the SEC's mining guidelines strictly prohibit information of this type in documents filed with the SEC. U.S. investors are cautioned that mineral deposits on adjacent properties are not indicative of mineral deposits on our properties.
