Pursuant to the Incentive Program, the Company will offer holders of all 46,363,630 Outstanding Warrants the opportunity to exercise each of their Outstanding Warrants between 12:00 a.m. Pacific Standard Time ("PST") on November 17, 2023 and 12:00 p.m. PST on December 8, 2023. Each Warrant is currently exercisable to purchase one Common Share at \$0.30 per Common Share until March 16, 2026. Any Outstanding Warrants remaining un-exercised after 12:00 p.m. PST on December 8, 2023 will remain outstanding and continue to be exercisable pursuant to their existing terms.

Holders of Outstanding Warrants who elect to participate in the Incentive Program will be required to deliver the following to the Company on or prior to 12:00 p.m. PST on December 8, 2023:

- a duly completed and executed exercise form, in the form which accompanies the certificate representing the Outstanding Warrants;

- the applicable aggregate exercise price (\$0.30 per Outstanding Warrant) payable to the Company by way of certified cheque, money order, bank draft, or wire transfer in lawful money of Canada.

The proceeds from the early exercise of the Outstanding Warrants will be used to advance the Company's Ana Paula Project and for general working capital.

The Common Shares issued on exercise of the Outstanding Warrants will not be subject to any hold period. The Incentive Warrants and any Common Shares issued upon the exercise of the Incentive Warrants will be subject to a hold period expiring four months after the date of distribution of the Incentive Warrants.

The Incentive Program is subject to certain conditions, including, but not limited to, the receipt of all necessary approvals, including the final approval of the TSXV.
